Defendants

JURY TRIAL DEMANDED

TO THE SUPREME COURT OF THE STATE OF NASSAU COUNTY

The nature of this action is Discrimination etals. The complaint of the plaintiff, Racquel K McPherson respectfully shows and alleges as follows:

The plaintiff herein, Racquel K McPherson is a resident of the State of New York residing at 587 Christie Street, South Hempstead, New York. The lawsuit is brought pursuant to violations of the Civil Right Act of 1964 Discrimination. In addition, the defendants continue to assassinate my Character causing both real and intangible issues, menacing, bullying, harassment and intimidation, fear, stress, embarrassment, expense, inconvenience and anxiety.

Please note this misleading information which is posted on my GOOGLE Page is threatening to derail any possible additional job prospects, I may have. The defendants continue to act with reckless indifference. GOOGLE has tried to shame me with ALL manner of coded language. Please see attached.

Please note on Sunday October 4, 2015, The New York Post published a FAKE NEWS story Titled "Andy tried to kill my granny: lawsuit". The article written in the New York Post was discriminatory, slanderous, defamed & assassinated my character. It clearly shows racial/media bias, menacing, harassment, Breach of Fiduciary Responsibility & showcases Dishonest/deceitful Business Practice of a media outlet that's supposed to be objective.

The article is outrageous & surpasses conscience shocking! Please note shortly thereafter, Google posted the Article on their website. Google neglected to correct the FAKE NEWS. I

contacted Google's Larry Page, Sergey Brin, Eric Schmidt; in addition to their CEO- **Sundar Pichai**. Please note I presented proof to them that much of the story is Fake, however, they have yet to make the corrections permanent.

Please see attached Ivanka Trump's Google Page. Where are the lawsuits filed against Ms Ivanka Trump? Where are the lawsuits that Ivanka Trump has filed? Why aren't the lawsuits prominently displayed on her Google Page? Why aren't the Court Rulings being prominently displayed on Ms Trump's Google Page? Is it because Ms. Trump is white & I'm black?

I have repeatedly asked Google to either correct the FAKE NEWS/permanently remove them from my Google Page they have not. The fact is this many employers, Google potential employees before they are hired. Please note this misleading information has caused both real and intangible issues, menacing, bullying, workplace harassment, intimidation, fear, stress, embarrassment, expense, inconvenience and anxiety. This misleading information is threatening to derail any possible additional job prospects, I may have. The defendants continue to act with reckless indifference. They tried to shame me with ALL manner of coded language.

By reason of the facts and circumstances stated above, defendants have breached me.

By reason of the facts and circumstances stated above the defendants conduct directly and proximately caused injury to the plaintiff in the form of discrimination, assassinated my character causing both real and intangible issues, menacing, bullying, harassment and intimidation, fear, stress, embarrassment, expense, inconvenience and anxiety.

Google's Actions have caused undue emotional and financial hardship.

GOOGLE conducted discrimination, breach of ethics & performed less than honest. The article caused both real and intangible issues, workplace harassment and intimidation, fear, stress, embarrassment, expense, inconvenience and anxiety. WHEREFORE, the Plaintiff request judgment in her favor against defendants,

The relief sought is:

1. GOOGLE INC permanently removes ALL Court Cases, Rulings and FAKE NEWS Articles from my Google Page.
2. For compensatory damages in the amount of \$500 billion dollars.
3. For punitive damages to proven at trial.
4. For an injunction prohibiting the Defendants and all other agents of NYS and USPS from conducting surveillance of any sort against Ms. McPherson without first obtaining a warrant in compliance with the law;
5. For fees and costs; and
6. For such other and further relief as the Court deems just and appropriate.

7. TRIAL BY JURY IS DEMANDED

Should defendants fail to appear herein or demand a complaint, judgment will be entered by default for the sum of \$500 billion with interest etals from the date of5/4/2017.....and the costs of this action.
