"UNKNOWN PARTY" ACTING UNDER

THE AUTHORITY OF GOOGLE, Inc.

Defendants

NOTICE

To the clerk of the court, please take notice that, I, Omar MMubango the above named plaintiff I am filing this COMPLAINT with the court, requesting that you place on judge's colander for judge's review and ruling as soon as his or her schedule permits.

BACKGROUND, FACTS AND REASONS FOR THE MOTION AND COURT ORDER

1. On September 17, 2010 or thereabout someone anonymously started posting defamatory and slanderous information on the internet that's appearing in the Google Search Results every time someone or I, type or Google-up my name. Please see the offending internet link below:

"www.wikiscams.com/complaintomar_mmubango_crazy_con_man_4953..."

2. The owner of the webmaster that's carrying this internet link; www.wikiscams.com is that notorious rogue website posting those stolen State Department and Department of Defense (DoD) or Pentagon stolen documents of the Federal Government of the United States of America (USA) that has no known fixed address and, is located outside the continental USA, and thus outside the reach of the law enforcement agencies of USA government.

3. Ever since I discovered this defamatory and slanderous internet link appearing in the Google search results every time I, or anybody else conducted internet search of my name: OMAR MMUBANGO I have desperately been trying to get Google to removed and permanently block this page from its active database or search results without success. Finally as an act of desperation and last resort I contacted attorneys that

specialize in the internet and other online social media deformation and slanderous litigation who advised me that, since this site has no fixed address and is located outside continental USA that there's absolutely nothing I can do legally to stop the webmaster that's responsible and the source of this offending internet link. But they did advise me to contact Google, Inc, since without the help of Google, Inc. as a principal carrier or prime facilitator—or aiding and abetting this link would not be able to appear on internet. So after researching Google website for the procedures for REMOVING entire link from its current and active database and search results, together with the e-mails that I continue to exchange with Google, Inc., we have arrive at two options, namely; (1) the first line of action is to contact the owner or the webmaster (www.wikiscam.com) and ask him or her to remove this link from internet and Google search engine. and if he or she refuses, then I can take legal action. Well this option is not applicable to me since this webmaster has no fixed address and is located outside continental USA. Option (2) To file a complaint against this anonymous party(s) and name Google, Incorporated as co-defender and then get a judgment and order, and then send a copy of that order to the Google, Inc., Legal Department directing Google to remove this slanderous link from its search results and Search Optimization Engine (SEO), since failing to obey a court order, Google, Inc., could be held legally liable for Deformation and Slander and monetary damages, etc.— and that's why I am seeking judgment and court order to send to Google, Inc. which it demands

4. Sadly enough this defamatory and slanderous conduct started happening just about the time I had been laid-off from job as a pharmaceutical chemist with a major

pharmaceutical company, and it has cost me dearly in loss of income, professionally and personally that it has prevented and robbed many chances that I would given me a job and allowed me to return to full employment to utilize my technical skills, experience and education in order to support myself either as a full employed or independent contractor.

Therefore, given the above stated facts, I respectfully request this court to grant me this motion and enter judgment against the defendants and issue an order accordingly so that not only I can once again regain full control of my good name and become a productive member of the society once again, but also stop Google, Inc., aiding and abetting this anonymous criminal and coward from terrorizing and publicly humiliating me.
