Subject: Re: RS Chat

I'm taking to the team lead for the trademark team, but they have been entirely unhelpful. I'm not sure why we have to fight with internal teams... I'd just like to fill you in on the issue and see if we can't get a little push for the trademark team to take some action. We've finally gotten the attention of the CEO and COO, but in a bad way... I'd like to resolve this and establish ourselves as partners from the get go rather than let this issue go unresolved and have the CEO and COO view us as the enemy...

Hey John,

I see that your calendar is pretty booked, but I was hoping to steal 10 mins of your time this morning to discuss a trademark issue that we're having with Rosetta Stone- this has gotten the attention of the CEO and COO and is pretty urgent, so I'd super appreciate it!
