Your Theatre Tickets
If the price of theatre tickets had to come out of one month's income, a plan of ours will make it easier to buy them next year.
Buy First Mortgage Real Estate Bonds issued by us and let the interest pay for your tickets. At the end of the season, you've seen the good plays and you still have your dividend earning principal.

SAVING MONEY
is rarely easy, but The Midland's service makes it as
pleasant as may be and our policy of paying 4% interest
from the Date of Deposit to the Date of Withdrawal
makes it more than ordinarily profitable.

We will welcome your account, and the opportunity
to be of service in any banking way.
