NOW COMES Lucas Stoioff (“Petitioner”) by and through its attorneys at Saper Law Offices, LLC, pursuant to Illinois Supreme Court Rule 224, and for its Verified Petition for Discovery (the “Petition”) against Respondents, Opinion Corp. d/b/a Pissed Consumer , XCentric Ventures, LLC d/b/a Ripoff Report, and Yelp, Inc. (“Respondents”) states as follows:

INTRODUCTION

1. This is an action for discovery before suit to identify responsible persons and entities. Petitioner intends to file suit, sounding in an action for defamation and false light invasion of privacy, against the person and/or entity responsible for the authorship and online publication of defamatory statements on websites operated by Respondents Opinion Corp., XCentric Ventures, LLC, and Yelp, Inc., located respectively at pissedconsumer.com, ripoffreport.com, and yelp.com.

PARTIES, JURISDICTION, AND VENUE

2. Petitioner is a resident of Cook County, Illinois.
3. On information and belief, the website located at pissedconsumer.com is owned and operated by Respondent Opinion Corp., a New York corporation with its principal place of business at 815 Gravesend Neck Rd., 6R, Brooklyn, New York, 11223.
4. On information and belief, the website located at ripoffreport.com is owned and operated by Respondent XCentric Ventures, LLC, an Arizona LLC which may be served through its registered agent, Maria Speth, 3200 N. Central Avenue, Suite 2000, Phoenix, AZ 85012.

5. On information and belief, the website located at yelp.com is owned and operated by Respondent Yelp, Inc., a California corporation with its principal place of business at 140 New Montgomery Street, San Francisco, CA 94105
6. Jurisdiction and Venue is proper in this Court pursuant to 735 ILL. COMP. STAT. § 5/2-101 and Illinois Supreme Court Rule 224(a)(ii) as this is a Court in which the action or proceeding might be brought and where the harm was felt and directed.

DEFAMATORY PUBLICATIONS

7. Pissedconsumer.com, Ripoffreport.com and Yelp.com are all websites allowing and encouraging users to post reviews of businesses.
8. On March 20, 2014, an anonymous Yelp.com user published a lengthy attack against Petitioner (the "Yelp Post"). A true and correct screenshot of the Yelp Post as it existed on March 21, 2014 is attached hereto as Exhibit A.
9. Among other false and defamatory accusations, the anonymous user states the following about Petitioner:
 - a. "He got into some trouble while young by committing a horrible fraud and theft on a local business, his first job, DAIRY QUEEN, which he stole all of their money and left the owners having to lose their home and everything they worked their entire life for. Lucas 'LUKE' Stoioff was investigated by the police and FBI for this but because of his fathers power and influence he was able to keep it under wraps and completely get off." *See* Exhibit A.
 - b. "Once he decided to be a club promoter (HYPEWISE Entertainment marketing group he started to gain popularity with girls because he could get them into the clubs and give them free drinks and DRUGS. FRAUD! – This was really the start of his fraudulent and life of crime. He finally realized how integral DRUGS are within the industry. He started with Pot and slowly moved to cocaine, which was his favorite, until he was introduced to METHAMPHETAMINES- (METH or Glass). This is why he has lost so much weight in the past few years. No one really knows that he does it because he is a PROFESSIONAL at hiding it but most of the time he is high. Clearly that is why he has so much energy. Its not passion its GLASS (shabu)." *See* Exhibit A.
 - c. "LUKE STOIOFF is not the actual owner of the businesses themselves but he is HIRED as a MANAGER because the investors, who really own the actual business didn't trust them. They are the fake FRONT MEN and face and for that they do manage the daily operations and earn a small salary. I have personally seen him change inventory records and take the inventory items for himself as well as simply write checks to people for 'consulting' services or other FAKE SCAMS and FRAUDULENT activities from the company that never happened. At one point I was given a commission for 'keeping quiet' when LUCAS 'LUKE' STOIOFF stole over \$200,000.00 from one of his partners. This is just some of the examples but there are many more." *See* Exhibit A.

- d. "I have seen him buy stolen goods, KNOWING THAT THEY ARE STOLEN, and use them at bull and bear and public house but charge the businesses the full amount and pocket the difference. He constantly steal from the company and their Boss, the owner without him knowing. Since luke is a very educated and smart individual he is very good at covering his tracks. He knows where the cameras are and more importantly, where they are not. He pays off his other managers to keep quiet and other people that know about it stay quiet because he gives them free stuff. It's a HUGE FRAUD." See Exhibit A
- e. "Lucas 'luke' stoioff deserves to be in prison. To my knowledge he has personally STOLEN and pocketed over \$300,000.00 CASH. I really do not want to name names but to prove the validity of this post I will name just one. LUCAS 'LUKE' STOIOFF was business partners and BEST FRIENDS with another acquaintance of mine, Christopher Dexter from Icon Liquors. Chris was LUCAS 'LUKE' STOIOFF's mentor and really brought him from a petty club promoter with a nepolian complex into club management. He taught him everything and luke started to learn the LEGITIMATE life and stray away from his fraud. The problem is that Chris trusted LUCAS 'LUKE' STOIOFF too much. LUCAS 'LUKE' STOIOFF Stabbed Chris in the back by personally stealing over \$200,000.00 CASH. LUCAS 'LUKE' STOIOFF TOOK THE MONEY FROM THE COMPANY ACCOUNT AND SPENT IT. THEN WHEN CHRIS SUED HIM HE HAD HIS DAD DOCTOR UP SOME DOCUMENTS TO do what every good attorney (his dad) does and create counter allegations; these allegations were COMPLETELY FRAUDULENT AND FAKE. LUCAS 'LUKE' STOIOFF simply did this to keep the money that he STOLE. It was a very smart idea because he didn't get caught and he had a really good attorney so he was even able to keep the money. EVEN THOUGH there was mounds of evidence PROVING, without a shadow of doubt ,that LUKE Stole the money." See Exhibit A.

- 10. These accusations are false in every material respect, including in that, *inter alia*, Petitioner has never stolen money from a Dairy Queen, has never embezzled money from any company he has owned or managed, has never bought or stocked his businesses with stolen goods, has never stolen money from Chris Dexter or Icon Liquors, has never committed fraud, and has never used, much less sold or distributed, marijuana, cocaine or methamphetamines.
- 11. In addition, the Yelp Post lists Petitioner's social security number, signature (apparently obtained from a Florida state license application), residential address and personal cell phone number.
- 12. On March 21, 2014, a nearly identical post was published to Pissedconsumer.com (the "Pissed Consumer Post"). A true and correct screenshot of the Pissed Consumer Post as it existed on April 2, 2014 within Google's cache is attached hereto as Exhibit B.
- 13. On March 22, 2014, a post nearly identical to the both the Yelp Post and the Pissedconsumer Post was published to Ripoffreport.com (the "First Ripoff Report Post").

A true and correct screenshot of the Pissed Consumer Post as it existed on April 2, 2014 is attached hereto as Exhibit C.

14. On March 24, 2014, another post was published to Ripoffreport.com, nearly identical to the first but this time including Petitioner's residential address, personal phone number and social security number (the latter, on information and belief, being redacted by the website) ("Second Ripoff Report Post"). A true and correct screenshot of the Second Ripoff Report Post as it existed on April 7, 2014 is attached hereto as Exhibit D.
15. While the the Yelp Post, Pissed Consumer Post and Ripoff Report Post (collectively, the "Defamatory Publications") purport to be customer reviews, Petitioner is an individual, not a business, and the author of the Defamatory Posts was never a customer of Petitioner in any capacity.

NECESSITY OF PETITION

16. Petitioner is able to demonstrate a cause of action for defamation *per se*:
 - a. The false statements in the Defamatory Publications impute to Petitioner the commission of crimes—including theft, fraud and distribution of controlled substances—as well as a lack of ability in his profession, and they are actionable as defamation *per se* in Illinois.
 - b. The Defamatory Publications were made with knowledge of or reckless disregard for their falsity and with the specific intent to injure Petitioner's reputation.
 - c. The Defamatory Publications were published to the public at large via the Internet.
 - d. The Defamatory Publications are un-protected speech because Petitioner is not a public figure or public official.
 - e. The Defamatory Publications can reasonably be interpreted as stating facts.
17. Petitioner is able to state a cause of action for False Light Invasion of Privacy:
 - a. By publishing his name and personal information in connection with the Defamatory Publications, the author has publicly portrayed Petitioner in a false light.
 - b. This portrayal would be highly offensive to an individual of ordinary sensibilities.
 - c. The author acted with knowledge of the portrayal's falsity and with the specific intent to injured Petitioner's reputation.

18. Petitioner is able to state a cause of action for Publication of Private Facts in connection with the publication of Petitioner's social security number within the Yelp Post.
19. Petitioner is able to state a cause of action for Intentional Infliction of Emotional Distress:
 - a. The worldwide dissemination of Petitioner's private information, in connection with elaborate false stories of criminal conduct, is extreme and outrageous.
 - b. This conduct has proximately caused Petitioner to suffer extreme emotional distress.
 - c. The author of the Defamatory Publications intended to cause this distress.
20. As the Defamatory Publications were made anonymously, discovery as to the anonymous party's IP address, user information and other identifying information is necessary to ascertain the party's identity.
21. Petitioner seeks limited discovery to identify the anonymous poster in order to 1) recover damages as a result of the posting and defamatory statements; and 2) prevent the continued existence and public display of the defamatory statements.

WHEREFORE, Petitioner Lucas Stoioff, prays that this Court enter the attached order compelling the discovery requests herein from the Respondent.

Respectfully submitted,

Lucas Stoioff, Petitioner

I have personally known Lucas 'LUKE' Stoioff for most of my adult life. At one point I considered him a dear friend but I have been mistreated by this professional con man and scam artist for too long. The reason that he is such as good poker player is because he is a pathological LIAR. He will promise the world and is a great talker but also screws everyone over that he can to make a buck. He will back stab his best friend if he can profit or get positive publicity for it. This manifesto is to let the world know the real person, not the fake persona that LUCAS ' LUKE ' Stoioff presents.

Lucas 'luke' stoioff was born and raised in the suburbs of Chicago with a very well off family. Since his daddy (David Stoioff) is a powerful states attorney he believes that he is untouchable and walks around and treats people like he is. His parents have paid for EVERYTHING he has down to his cloths and watch. While going to high school at GLENBROOK NORTH HIGH SCHOOL in NORTHBROOK ILLINOIS he was picked on and beat up a lot. His dad, David Stoioff had to join the school board to make sure Luke was 'taken care of'. He always thought he was popular but he was not. It was very sad. He went on to go to Loyola University in New Orleans and The John Marshall Law School.

He got into some trouble while young by committing a horrible fraud and theft on a local business, his first job, DAIRY QUEEN, which he stole all of their money and left the owners having to lose their home and everything they worked their entire life for. I have personally known Lucas 'LUKE' Stoioff for most of my adult life. At one point I considered him a dear friend but I have been mistreated by this professional *** man and scam artist for too long. The reason that he is such a good poker player is because he is a pathological LIAR. He will promise the world and is a great talker but also screws everyone over that he can to make a buck. He will back stab his best friend if he can profit or get positive publicity for it. This manifesto is to let the world know the real person, not the fake persona that LUCAS 'LUKE' Stoioff presents.

Lucas 'luke' stoioff was born and raised in the suburbs of Chicago with a very well off family. Since his daddy (David Stoioff) is a powerful states attorney he believes that he is untouchable and walks around and treats people like he is. His parents have paid for EVERYTHING he has down to his cloths and watch. While going to high school at GLENBROOK NORTH HIGH SCHOOL in NORTHBROOK ILLINOIS he was picked on and beat up a lot. His dad, David Stoioff had to join the school board to make sure Luke was 'taken care of'. He always thought he was popular but he was not. It was very sad. He went on to go to Loyola University in New Orleans and The John Marshall Law School.

He got into some trouble while young by committing a horrible fraud and theft on a local business, his first job, DAIRY QUEEN, which he stole all of their money and left the owners having to lose their home and everything they worked their entire life for. Lucas 'LUKE' Stoioff was investigated by the police and FBI for this but because of his fathers power and influence he was able to keep it under wraps and completely get off.

Once he decided to be a club promoter (HYPEWISE Entertainment marketing group he started to gain popularity with girls because he could get them into the clubs and give them free drinks and DRUGS. FRAUD! – This was really the start of his fraudulent and life of crime. He finally realized how integral DRUGS are within the industry. He started with Pot and slowly moved to cocaine, which was his favorite, until he was introduced to METHAMPHETAMINES- (METH or Glass). This is why he has lost so much weight in the past few years. No one really knows that he does it because he is a PROFESSIONAL at hiding it but most of the time he is high. Clearly that is why he has so much energy. Its not passion its GLASS (shabu).

LUKE STOIOFF is not the actual owner of the businesses themselves but he is HIRED as a MANAGER because the investors, who really own the actual business didn't trust them. They are the fake FRONT MEN and face and for that they do manage the daily operations and earn a small salary. I have personally seen him change inventory records and take the inventory items for himself as well as simply write checks to people for 'consulting' services or other FAKE SCAMS and FRAUDULENT activities from the company that never happened. At one point I was given a commission for 'keeping quiet' when LUCAS 'LUKE' STOIOFF stole over \$200,000.00 from one of his partners. This is just some of the examples but there are many more.

I have seen him buy stolen goods, KNOWING THAT THEY ARE STOLEN, and use them at bull and bear and public house but charge the businesses the full amount and pocket the difference. He constantly steal from the company and their Boss, the owner without him knowing. Since luke is a very educated and smart individual he is very good at covering his tracks. He knows where the cameras are and more importantly, where they are not. He pays off his other managers to keep quiet and other people that know about it stay quiet because he gives them free stuff. It's a HUGE FRAUD.

Lucas 'luke' stoioff deserves to be in prison. To my knowledge he has personally STOLEN and pocketed over \$300,000.00 CASH. I really do not want to name names but to prove the validity of this post I will name just one. LUCAS 'LUKE' STOIOFF was business partners and BEST FRIENDS with another acquaintance of mine, Christopher Dexter from Icon Liquors. Chris was LUCAS 'LUKE' STOIOFF's mentor and really brought him from a petty club promoter with a nepolian complex into club management. He taught him everything and luke started to learn the LEGITIMATE life and stray away from his fraud. The problem is that Chris trusted LUCAS 'LUKE' STOIOFF too much. LUCAS 'LUKE' STOIOFF Stabbed Chris in the back by personally stealing over \$200,000.00 CASH. LUCAS 'LUKE' STOIOFF TOOK THE MONEY FROM THE COMPANY ACCOUNT AND SPENT IT. THEN WHEN CHRIS SUED HIM HE HAD HIS DAD DOCTOR UP SOME DOCUMENTS TO do what every good attorney (his dad) does and create counter allegations; these allegations were COMPLETELY FRAUDULENT AND FAKE. LUCAS 'LUKE' STOIOFF simply did this to keep the money that he STOLE. It was a very smart idea because he didn't get caught and he had a really good attorney so he was even able to keep the money. EVEN THOUGH there was mounds of evidence PROVING, without a shadow of doubt ,that LUKE Stole the money.

This is just a brief overview of LUCAS 'LUKE' STOIOFF and his fraudulent acts. I wanted to make sure that the world knows exactly what a monster he is and MAKES SURE NOT TO DO BUSINESS WITH HIM OR EVER GIVE HIM ANY MONEY NO MATTER WHAT.

"The trouble with being punctual, is that nobody is there to appreciate it." Luke, its time that you admit your sins and come clean to the world.

I have personally known Lucas 'LUKE' Stioff for most of my adult life. At one point I considered him a dear friend but I have been mistreated by this professional con man and scam artist for too long. The reason that he is such as good poker player is because he is a pathological LIAR. He will promise the world and is a great talker but also screws everyone over that he can to make a buck. He will back stab his best friend if he can profit or get positive publicity for it. This manifesto is to let the world know the real person, not the fake persona that LUCAS 'LUKE' Stioff presents.

Lucas 'luke' stioff was born and raised in the suburbs of Chicago with a very well off family. Since his daddy (David Stioff) is a powerful states attorney he believes that he is untouchable and walks around and treats people like he is. His parents have paid for EVERYTHING he has down to his cloths and watch. While going to high school at GLENBROOK NORTH HIGH SCHOOL in NORTHBROOK ILLINOIS he was picked on and beat up a lot. His dad, David Stioff had to join the school board to make sure Luke was 'taken care of'. He always thought he was popular but he was not. it was very sad. He went on to go to Loyola University in New Orleans and The John Marshall Law School.

He got into some trouble while young by committing a horrible fraud and theft on a local business, his first job, DAIRY QUEEN, which he stole all of their money and left the owners having to lose their home and everything they worked their entire life for. Lucas 'LUKE' Stioff was investigated by the police and FBI for this but because of his fathers power and influence he was able to keep it under wraps and completely get off.

Once he decided to be a club promoter (HYPEWISE Entertainment marketing group he started to gain popularity with girls because he could get them into the clubs and give them free drinks and DRUGS. FRAUD! -- This was really the start of his fraudulent and life of crime. He finally realized how integral DRUGS are within the industry. He started with Pot and slowly moved to cocaine, which was his favorite, until he was introduced to METHAMPHETAMINES- (METH or Glass). This is why he has lost so much weight in the past few years. No one really knows that he does it because he is a PROFESSIONAL at hiding it but most of the time he is high. Clearly that is why he has so much energy. Its not passion its GLASS (shabu).

LUKE STIOFF is not the actual owner of the businesses themselves but he is HIRED as a **MANAGER** because the investors, who really own the actual business didn't trust them. They are the fake FRONT MEN and face and for that they do manage the daily operations and earn a small salary. I have personally seen him change inventory records and take the inventory items for himself as well as simply write checks to people for 'consulting' services or other FAKE SCAMS and FRAUDULENT activities from the company that never happened. At one point I was given a commission for 'keeping quiet' when LUCAS 'LUKE' STIOFF stole over \$200,000.00 from one of his partners. This is just some of the examples but there are many more.

I have seen him buy stolen goods, KNOWING THAT THEY ARE STOLEN, and use them at bull and bear and public house but charge the businesses the full amount and pocket the difference. He constantly steal from the company and their Boss, the owner without him knowing. Since luke is a very educated and smart individual he is very good at covering his tracks. He knows where the cameras are and more importantly, where they are not. He pays off his other managers to keep quiet and other people that know about it stay quiet because he gives them free stuff. It's a HUGE FRAUD.

Lucas 'luke' stioff deserves to be in prison. To my knowledge he has personally STOLEN and pocketed over \$300,000.00 CASH. I really do not want to name names but to prove the validity of this post I will name just one. LUCAS 'LUKE' STIOFF was business partners and BEST FRIENDS with another acquaintance of mine, Christopher Dexter from Icon Liquors. Chris was LUCAS 'LUKE' STIOFF's mentor and really brought him from a petty club promoter with a nepolian complex into club management. He taught him everything and luke started to learn the LEGITIMATE life and stray away from his fraud. The problem is that Chris trusted LUCAS 'LUKE' STIOFF too much. LUCAS 'LUKE' STIOFF Stabbed Chris in the back by personally stealing over \$200,000.00 CASH. LUCAS 'LUKE' STIOFF TOOK THE MONEY FROM THE COMPANY ACCOUNT AND SPENT IT. THEN WHEN CHRIS SUED HIM HE HAD HIS DAD DOCTOR UP SOME DOCUMENTS TO do what every good attorney (his dad) does and create counter allegations; these allegations were COMPLETELY FRAUDULENT AND FAKE. LUCAS 'LUKE' STIOFF simply did this to keep the money that he STOLE. It was a very smart idea because he didn't get caught and he had a really good attorney so he was even able to keep the money. EVEN THOUGH there was mounds of evidence PROVING, without a shadow of doubt, that LUKE Stole the money.

This is just a brief overview of LUCAS 'LUKE' STIOFF and his fraudulent acts. I wanted to make sure that the world knows exactly what a monster he is and MAKES SURE NOT TO DO BUSINESS WITH HIM OR EVER GIVE HIM ANY MONEY NO MATTER WHAT.

"The trouble with being punctual, is that nobody is there to appreciate it." Luke, its time that you admit your sins and come clean to the world.
