① Amazon.com Inc was negligent by not exercising due care when paying vendors listing my materials on their website. Amazon.com Inc repeatedly paid Kentebooks and Anybooks 'first rights' to my copyrighted materials. Amazon paid Kentebooks for selling more copies than the publisher said was printed. When you log onto Amazon's website to purchase my book, it defaults to Kentebooks.

② RoseDog Book / Dorrance Publishings breached an original contract by merchandising. Merchandising was not a part of the original contract. I requested that RoseDog take the merchandising site down or pay me a percentage for use of my book title on T-shirts, coffee mugs, etc. They refused to pay the percentage and it took weeks before the materials was off of their site. Also, RoseDog Book, in bitterness and retaliation to the contract being canceled in January 2011, put my book on display on Google.com for anyone to read. I found the entire book openly displayed ^{in February 2015} and requested Google to take it down. Google replied that they needed RoseDog's or the copyright owners permission. This process took about two weeks. This hampering my ability to make money from

③ Kentebooks violated my copyright with repeat sales of my creative works. new books that they were printing.

④ Anybooks violated my copyright by printing and selling my book. Anybooks advertised over \$1,000,000 books sold.

V. Relief

In this section please state (write) briefly exactly what you want the court to do for you. Make no legal argument, cite no case or statutes.

- ① Amazon - Cease + disist order and remove kenkebooks and Anybooks from selling my book. Find Amazon negligent ~~to~~ by not exercising due care + due deligence when paying vendors in copyright first rights payment and a judgment for them to pay me all sales money for my book
- ② Rotedog Books - I would like for the courts to judge against Rotedog for retaliation when they openly published my entire book on Google.com. I am suing Rotedog for \$19,000,000, the book cost \$19.⁰⁰ and Google has high hits, much more than 1,000,000 per day. Because of high traffic on google, Rotedog was negligent with this behavior of performing hate crimes.
- ③ Kenkebooks - All sales money back.
- ④ Anybooks - All sales money back.

I state under penalty of perjury that the foregoing is true and correct. Executed on

this 11 day of June, 2015.
