I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

III. STATEMENT OF CLAIMPlace(s) of occurrence: ON LINE - youtubeDate(s) of occurrence: 2015 - present**FACTS:**

State here briefly the FACTS that support your case. Describe what happened, how you were harmed, and what each defendant personally did or failed to do that harmed you. Attach additional pages if needed.

I first had my ~~song~~ song which I performed post on YouTube under the site for the name of that song title of which "You don't have to say you love me" After seeing it was being successful I in April 3 2016 began uploading other music videos up to July 26 2017. I have my own channel titled "Valmiki RAMANI International Songs of Love™" totaling about 275 (+) videos. Whenever I upload a video a copy (Thumbnail) goes onto my channel OR by just typing my full name VALMIKI RAMANI into YouTube browser all the videos come see. However 99% of the songs I perform are COVERS of other artists songs and so

a copy of the thumbnail will appear under that artist site for that song. This is customary and standard practice within the industry. Some of the songs have copyright content and YouTube through arrangement with the owners allow me to use their material once they can solely monetize the videos. My grievance against YouTube is that since publishing the first song to the last one yesterday July 26 2017 they have been constantly taking the videos from off the Host ARTIST site a few days or few. I have little recourse through which to ask them to fix the problem - HELP at the bottom of page and Send Feedback INJURIES: are two options which work at times.

If you were injured as a result of these actions, describe your injuries and what medical treatment, if any, you required and received.

This has been frustrating - because once the videos has been placed they should not be taken down - or moved further back in the site. I am being discriminated and harassed by YouTube LLC, for what is my belief is my ethnicity, as not being acceptable in owning the channel. I wish this practice to stop. I am at my limit of their practice.

IV. RELIEF

State briefly what money damages or other relief you want the court to order.

I wish YouTube to stop the practice of not placing my uploads videos, of removing them after they have been positioned on Host ARTIST - or other general song/site. And if the court see fit to award me any punitive awards that may seem fit.
