**II. Basis for Jurisdiction**

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? *(check all that apply)*

Federal question

Diversity of citizenship

Fill out the paragraphs in this section that apply to this case.

**A. If the Basis for Jurisdiction Is a Federal Question**

List the specific federal statutes, federal treaties, and/or provisions of the United States Constitution that are at issue in this case.

3. The Amount in Controversy

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because (*explain*):

Dear Sea Gate Resident and Community Member:

There is currently a very serious and urgent matter unfolding behind the scenes in Sea Gate. Joseph Wohlhendler/Yosef Boruch Wohlhendler, also known as "Yosh," residing on Lyme Avenue, in Seagate, is involved in the matters listed below.

1. LIE: Satmar is in court to legally fight with Meir Chaim Brickman

FACT: Satmar is in court to protect their legal lease of the property.

2. LIE: Satmar and some Community Members are trying to steal the shul and its valuable assets.

FACT: 95% of Meir Chaim Brickman's Congregants are fighting him because he fired the Gabbai and the President illegally, without cause, in order to steal the shul and its valuable assets. The assets have been assessed at ~20MM (\$20,000,000).

3. LIE: Satmar is trying to get into the Sea Gate real-estate market by way of a hostile takeover.

FACT: Satmar has ZERO (0%) interest in Sea Gate's real-estate market.

4. LIE: Sea Gate is filled with haters, expressing hate towards Chaim Meir Brickman

FACT: Mr. Wohlhendler, the hater, is personally suing, in Federal Court, 13 members of Sea Gate, Israel and Satmar.

The question arises, who are the true haters here? Is it the two hundred (200), fruit Sea Gate families? Or is it

Dear Sea Gate Resident and Community Members,

BS'D

There is currently a very serious and urgent matter unfolding behind the scenes in Sea Gate. Joseph Wollendler/ Yosef Boruch Wollendler, also known as "Yoshi," residing on Lyme Avenue, in Seagate, is involved in the matters listed below.

1. LIE: Satmar is in court to legally fight with Meir Chaim Brickman

FACT: Satmar is in court to protect their legal lease of the property.

2. LIE: Satmar and some Community Members are trying to steal the shul and its valuable assets.

FACT: 95% of Meir Chaim Brickman's Congregants are fighting him because he fired the Gabbai and the President illegally, without cause, in order to steal the shul and its valuable assets. The assets have been assessed at ~20MM (\$20,000,000).

3. LIE: Satmar is trying to get into the Sea Gate real-estate market by way of a hostile takeover.

FACT: Satmar has ZERO ("0") interest in Sea Gate's real-estate market.

4. LIE: Sea Gate is filled with haters, expressing hate towards Chaim Meir Brickman.

FACT: Mr. Wollendler, the hater, is personally suing, in Federal Court, 13 members of Knesses Israel and Satmar.

The question arises, who are the true haters here? Is it the two hundred (200), from Sea Gate families? Or is it Joseph Wollendler, Meir Chaim Brickman, and Moshe Fetiman?

Furthermore, Mr. Wollendler is calling multiple New York City agencies, such as the Fire Department of New York ("FDNY") and the New York City Department of Buildings ("NYCDOB"), on community members who are trying to save the shul and cause them problems.

Moreover, based on these facts and findings, Joseph Wollendler/ Yosef Boruch Wollendler, also known as "Yoshi," is to be considered, under all aspects of Jewish Law, a "Moser." He shall be ex-communicated, and shall not be allowed into any Jewish place of worship in Sea Gate and beyond.

Yours Truly,

Concerned Sea Gate Residents and Longtime Community Members

Any reason why the Brickman's are stealing these huge sums from a burned down synagogue that is struggling to survive?? Why are they raising funds to repair the main sanctuary and haven't spent a dime? Only stole every penny for their own pockets?? This is CRIMINAL?

# The Twitter Rules

Twitter's purpose is to serve the public conversation. Violence, harassment and other similar types of behavior discourage people from expressing themselves, and ultimately diminish the value of global public conversation. Our rules are to ensure all people can participate in the public conversation freely and safely.

## Safety

Violence: You may not threaten violence against an individual or a group of people. We also prohibit the glorification of violence. Learn more about our violent threat (<https://help.twitter.com/rules-and-policies/violent-threats-glorification>) and glorification of violence (<https://help.twitter.com/rules-and-policies/glorification-of-violence>) policies.

Terrorism/violent extremism: You may not threaten or promote terrorism or violent extremism. Learn more (<https://help.twitter.com/rules-and-policies/violent-groups>).

Child sexual exploitation: We have zero tolerance for child sexual exploitation on Twitter. Learn more (<https://help.twitter.com/rules-and-policies/sexual-exploitation-policy>).

Abuse/harassment: You may not engage in the targeted harassment of someone, or incite other people to do so. This includes wishing or hoping that someone experiences physical harm. Learn more (<https://help.twitter.com/rules-and-policies/abusive-behavior>).

Hateful conduct: You may not promote violence against, threaten, or harass other people on the basis of race, ethnicity, national origin, sexual orientation, gender, gender identity, religious affiliation, age, disability, or serious disease. Learn more (<https://help.twitter.com/rules-and-policies/hateful-conduct-policy>).

Suicide or self-harm: You may not promote or encourage suicide or self-harm. Learn more (<https://help.twitter.com/rules-and-policies/glorifying-self-harm>).

Sensitive media, including graphic violence and adult content: You may not post media that is excessively gory or share violent or adult content within live video or in profile or header images. Media depicting sexual violence and/or assault is also not permitted. Learn more (<https://help.twitter.com/https://help.twitter.com/rules-and-policies/media-policy>).

Illegal or certain regulated goods or services: You may not use our service for any unlawful purpose or in furtherance of illegal activities. Private information: You may not publish or post other people's private information (such as home phone number and address) without their express authorization and permission. We also prohibit threatening to expose private information or incentivizing others to do so. Learn more (<https://help.twitter.com/https://help.twitter.com/rules-and-policies/personal-information>).

Non-consensual nudity: You may not post or share intimate photos or videos of someone that were produced or distributed without their consent. Learn more (<https://help.twitter.com/https://help.twitter.com/rules-and-policies/intimate-media>).

## Third-party advertising in video content

You may not submit, post, or display any video content on or through our services that includes third-party advertising, such as pre-roll video ads or sponsorship graphics, without our prior consent.

Note: we may need to change these rules from time to time in order to support our goal of promoting a healthy public conversation. The most current version is always available at <https://twitter.com/rules> (<https://help.twitter.com/rules>).

## Abusive behavior

Twitter Rules (<https://help.twitter.com/https://help.twitter.com/rules-and-policies/twitter-rules#hateful-conduct>): You may not engage in the targeted harassment of someone, or incite other people to do so. We consider abusive behavior an attempt to harass, intimidate, or silence someone else's voice.

### Rationale

On Twitter, you should feel safe expressing your unique point of view. We believe in freedom of expression and open dialogue, but that means little as an underlying philosophy if voices are silenced because people are afraid to speak up.

In order to facilitate healthy dialogue on the platform, and empower individuals to express diverse opinions and beliefs, we prohibit behavior that harasses or intimidates, or is otherwise intended to shame or degrade others. In addition to posing risks to people's safety, abusive behavior may also lead to physical and emotional hardship for those affected.

Learn more about our approach to policy development and our enforcement philosophy (<https://help.twitter.com/https://help.twitter.com/rules-and-policies/enforcement-philosophy>).

### When this applies

Some Tweets may seem to be abusive when viewed in isolation, but may not be when viewed in the context of a larger conversation. When we review this type of content, it may not be clear whether it is intended to harass an individual, or if it is part of a consensual conversation. To help our teams understand the context of a conversation, we may need to hear directly from the person being targeted, to ensure that we have the information needed prior to taking any enforcement action.

We will review and take action against reports of accounts targeting an individual or group of people with any of the following behavior within Tweets or Direct Messages. For accounts engaging in abusive behavior on their profile, please refer to our abusive profile policy (<https://help.twitter.com/https://help.twitter.com/rules-and-policies/abusive-profile>). For

behavior targeting people based on their race, ethnicity, national origin, sexual orientation, gender, gender identity, religious affiliation, age, disability, or serious disease, this may be in violation of our hateful conduct policy

([https://help.twitter.comhttps://help.twitter.com/rules-and-policies/hateful-conduct-policy](https://help.twitter.com/https://help.twitter.com/rules-and-policies/hateful-conduct-policy)).

### **Wishing or hoping serious harm on a person or group of people**

We do not tolerate content that wishes, hopes or expresses a desire for death, serious bodily harm or fatal disease against an individual or group of people. This includes, but is not limited to:

- Hoping that someone dies as a result of a serious disease e.g., “I hope you get cancer and die.”
- Wishing for someone to fall victim to a serious accident e.g., “I wish that you would get run over by a car next time you run your mouth.”
- Saying that a group of individuals deserves serious physical injury e.g., “If this group of protesters don’t shut up, they deserve to be shot.”

### **Unwanted sexual advances**

While some consensual nudity and adult content is permitted

([https://help.twitter.comhttps://help.twitter.com/rules-and-policies/media-policy](https://help.twitter.com/https://help.twitter.com/rules-and-policies/media-policy)) on Twitter, we prohibit unwanted sexual advances and content that sexually objectifies an individual without their consent. This includes, but is not limited to:

- sending someone unsolicited and/or unwanted adult media, including images, videos, and GIFs;
- unwanted sexual discussion of someone’s body;
- solicitation of sexual acts; and
- any other content that otherwise sexualizes an individual without their consent.

### **Using aggressive insults with the purpose of harassing or intimidating others**

We take action against excessively aggressive insults that target an individual, including content that contains slurs or similar language. Please also note that while some individuals may find certain terms to be offensive, we will not action against every instance where insulting terms are used.

### **Encouraging or calling for others to harass an individual or group of people**

We prohibit behavior that encourages others to harass or target specific individuals or groups with abusive behavior. This includes, but is not limited to; calls to target people with abuse or harassment online and behavior that urges offline action such as physical harassment.

### **Do I need to be the target of this content for it to be reviewed for violating the Twitter Rules?**

No, we review both first-person and bystander reports of such content.

### **Consequences**

When determining the penalty for violating this policy, we consider a number of factors including, but not limited to, the severity of the violation and an individual's previous record of rule violations.

For example, we may ask someone to remove the violating content and serve a period of time in read-only mode before they can Tweet again. Subsequent violations will lead to longer read-only periods and may eventually result in permanent suspension. If an account is engaging primarily in abusive behavior, we may permanently suspend the account upon initial review.

Learn more about our range of enforcement options

([https://help.twitter.comhttps://help.twitter.com/rules-and-policies/enforcement-options](https://help.twitter.com/https://help.twitter.com/rules-and-policies/enforcement-options)).

## Hateful conduct policy

**Hateful conduct:** (<https://help.twitter.com/https://help.twitter.com/rules-and-policies/twitter-rules#hateful-conduct>)

(<https://help.twitter.com/https://help.twitter.com/rules-and-policies/twitter-rules#hateful-conduct>) You may not promote violence against or directly attack or threaten other people on the basis of race, ethnicity, national origin, sexual orientation, gender, gender identity, religious affiliation, age, disability, or serious disease. We also do not allow accounts whose primary purpose is inciting harm towards others on the basis of these categories.

**Hateful imagery and display names:** You may not use hateful images or symbols in your profile image or profile header. You also may not use your username, display name, or profile bio to engage in abusive behavior, such as targeted harassment or expressing hate towards a person, group, or protected category.

## Rationale

Twitter's mission is to give everyone the power to create and share ideas and information, and to express their opinions and beliefs without barriers. Free expression is a human right – we believe that everyone has a voice, and the right to use it. Our role is to serve the public conversation, which requires representation of a diverse range of perspectives.

We recognise that if people experience abuse on Twitter, it can jeopardize their ability to express themselves. Research has shown that some groups of people are disproportionately targeted with abuse online. This includes; women, people of color, lesbian, gay, bisexual, transgender, queer, intersex, asexual individuals, marginalized and historically underrepresented communities. For those who identity with multiple underrepresented groups, abuse may be more common, more severe in nature and have a higher impact on those targeted.

We are committed to combating abuse motivated by hatred, prejudice or intolerance, particularly abuse that seeks to silence the voices of those who have been historically marginalized. For this reason, we prohibit behavior that targets individuals with abuse based on protected category.

If you see something on Twitter that you believe violates our hateful conduct policy, please report it to us (<https://help.twitter.com/https://help.twitter.com/forms/abusiveuser>).

## When this applies

We will review and take action against reports of accounts targeting an individual or group of people with any of the following behavior, whether within Tweets or Direct Messages.

### Violent threats

We prohibit content that makes violent threats against an identifiable target. Violent threats are declarative statements of intent to inflict injuries that would result in serious and lasting bodily harm, where an individual could die or be significantly injured, e.g., “I will kill you”.

**Note:** we have a zero tolerance policy against violent threats. Those deemed to be sharing violent threats will face immediate and permanent suspension of their account.

### Wishing, hoping or calling for serious harm on a person or group of people

We prohibit content that wishes, hopes, promotes, or expresses a desire for death, serious and lasting bodily harm, or serious disease against an entire protected category and/or individuals who may be members of that category. This includes, but is not limited to:

- Hoping that someone dies as a result of a serious disease, e.g., “I hope you get cancer and die.”
- Wishing for someone to fall victim to a serious accident, e.g., “I wish that you would get run over by a car next time you run your mouth.”
- Saying that a group of individuals deserve serious physical injury, e.g., “If this group of protesters don’t shut up, they deserve to be shot.”

### References to mass murder, violent events, or specific means of violence where protected groups have been the primary targets or victims

We prohibit targeting individuals with content that references forms of violence or violent events where a protected category was the primary target or victims, where the intent is to harass. This includes, but is not limited to sending someone:

- media that depicts victims of the Holocaust;
- media that depicts lynchings.

### Inciting fear about a protected category

We prohibit targeting individuals with content intended to incite fear or spread fearful stereotypes about a protected category, including asserting that members of a protected

category are more likely to take part in dangerous or illegal activities, e.g., “all [religious group] are terrorists”.

### **Repeated and/or non-consensual slurs, epithets, racist and sexist tropes, or other content that degrades someone**

We prohibit targeting individuals with repeated slurs, tropes or other content that intends to dehumanize, degrade or reinforce negative or harmful stereotypes about a protected category. This includes targeted misgendering or deadnaming of transgender individuals.

We also prohibit the dehumanization of a group of people based on their religion.

### **Hateful imagery**

We consider hateful imagery to be logos, symbols, or images whose purpose is to promote hostility and malice against others based on their race, religion, disability, sexual orientation, gender identity or ethnicity/national origin. Some examples of hateful imagery include, but are not limited to:

- symbols historically associated with hate groups, e.g., the Nazi swastika;
- images depicting others as less than human, or altered to include hateful symbols, e.g., altering images of individuals to include animalistic features; or
- images altered to include hateful symbols or references to a mass murder that targeted a protected category, e.g., manipulating images of individuals to include yellow Star of David badges, in reference to the Holocaust.

Media depicting hateful imagery is not permitted within live video, account bio, profile or header images. All other instances must be marked as sensitive media. Additionally, sending an individual unsolicited hateful imagery is a violation of our abusive behavior policy (<https://help.twitter.com/https://help.twitter.com/rules-and-policies/abusive-behavior>).

## **Do I need to be the target of this content for it to be a violation of the Twitter Rules?**

Some Tweets may appear to be hateful when viewed in isolation, but may not be when viewed in the context of a larger conversation. For example, members of a protected category may refer to each other using terms that are typically considered as slurs. When used consensually, the intent behind these terms is not abusive, but a means to reclaim terms that were historically used to demean individuals.

When we review this type of content, it may not be clear whether the intention is to abuse an individual on the basis of their protected status, or if it is part of a consensual conversation. To help our teams understand the context, we sometimes need to hear

directly from the person being targeted to ensure that we have the information needed prior to taking any enforcement action.

**Note:** individuals do not need to be a member of a specific protected category for us to take action. We will never ask people to prove or disprove membership in any protected category and we will not investigate this information.

## Consequences

Under this policy, we take action against behavior that targets individuals or an entire protected category with hateful conduct, as described above. Targeting can happen in a number of ways, for example, mentions, including a photo of an individual, referring to someone by their full name, etc.

When determining the penalty for violating this policy, we consider a number of factors including, but not limited to the severity of the violation and an individual's previous record of rule violations. For example, we may ask someone to remove the violating content and serve a period of time in read-only mode before they can Tweet again. Subsequent violations will lead to longer read-only periods and may eventually result in permanent account suspension. If an account is engaging primarily in abusive behavior, or is deemed to have shared a violent threat, we will permanently suspend the account upon initial review.

Learn more about our range of enforcement options

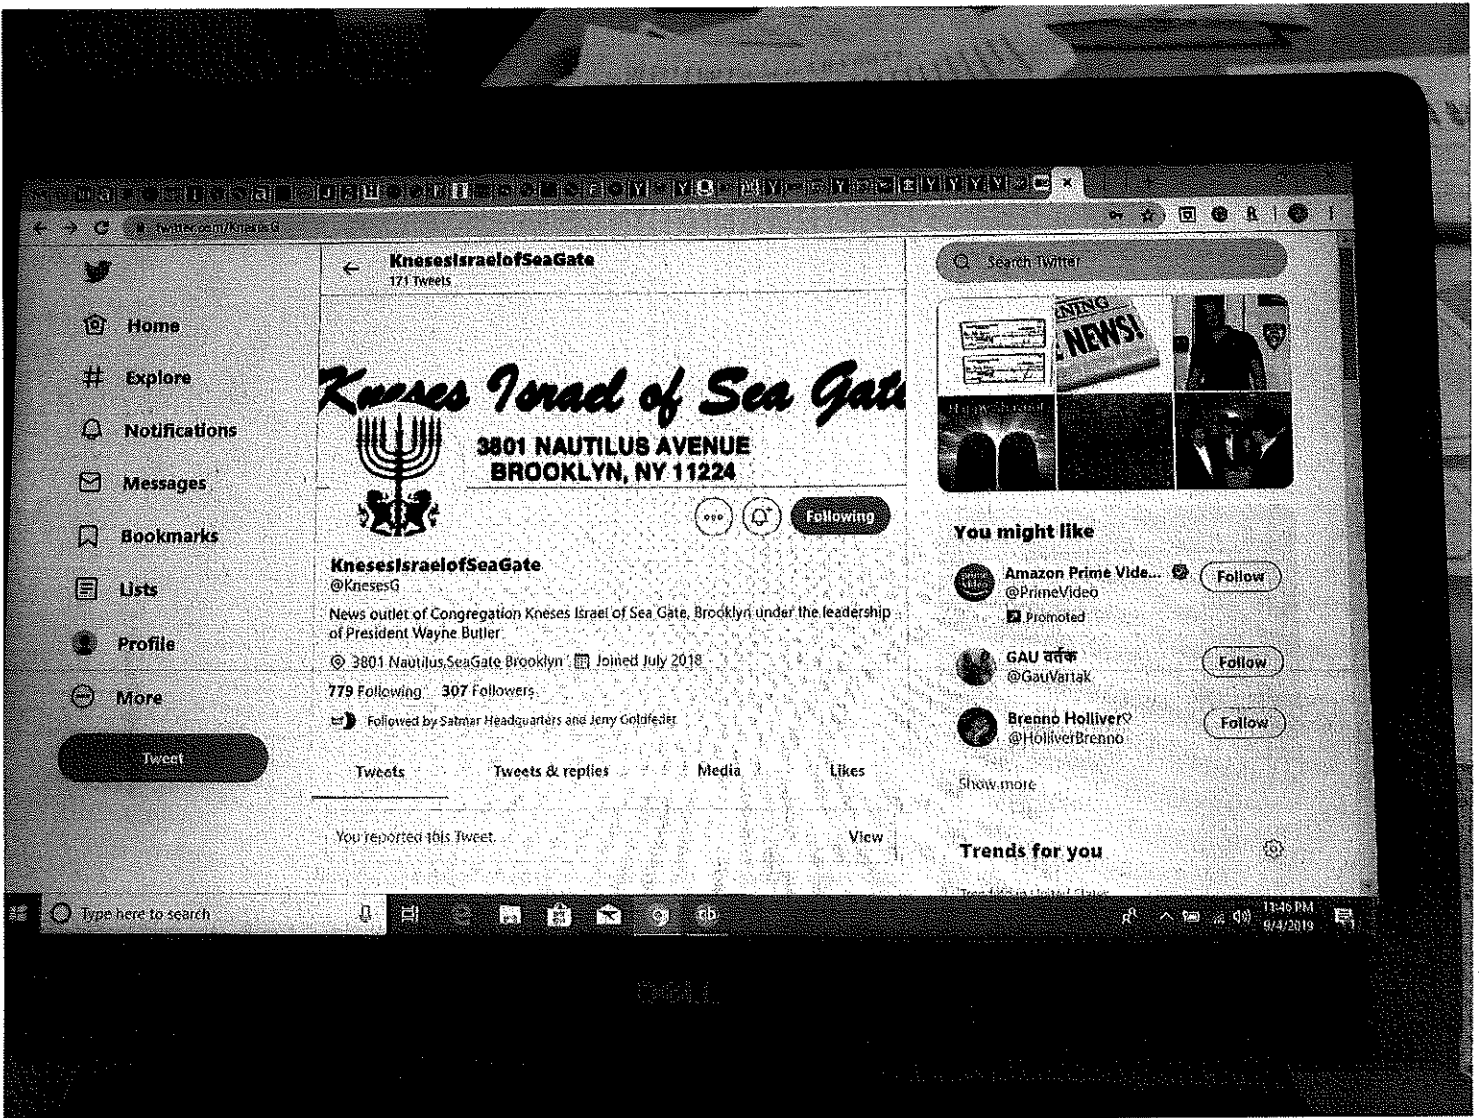

(<https://help.twitter.com/https://help.twitter.com/rules-and-policies/enforcement-options>).

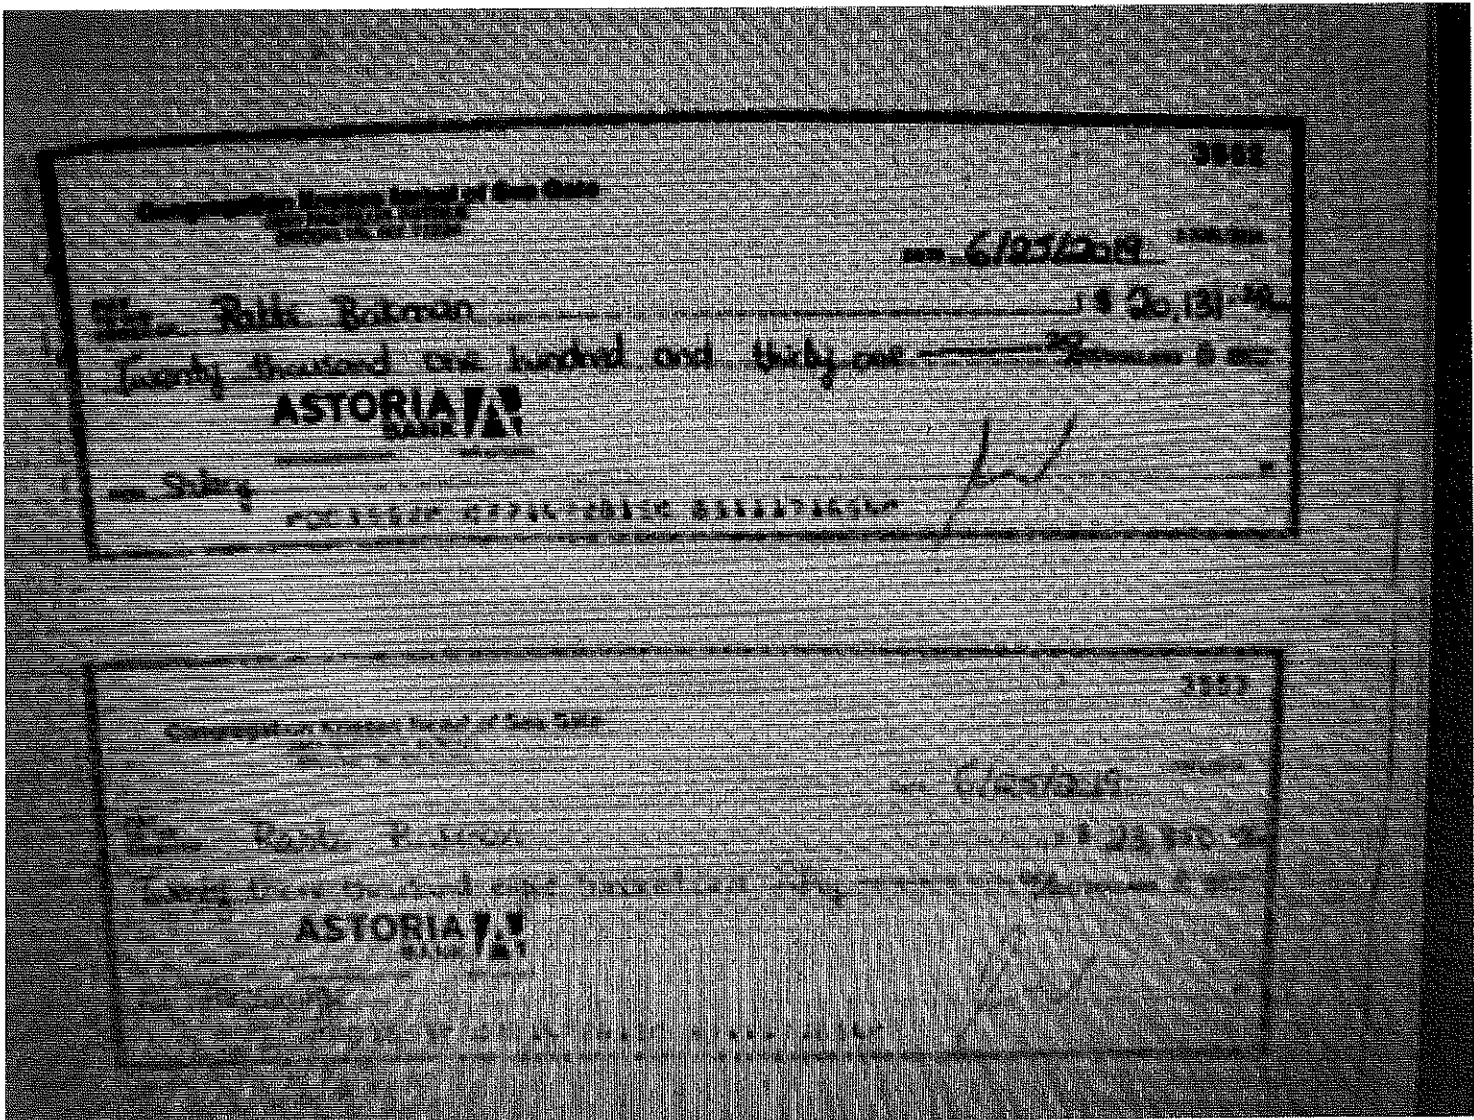

If someone believes their account was suspended in error, they can submit an appeal

(<https://help.twitter.com/https://help.twitter.com/forms/general?subtopic=suspended>).

Hello,

Thank you for your recent report. We have reviewed your report carefully and found that there was no violation of the Twitter Rules against abusive behavior.

There are a number of factors we take into consideration when deciding whether to take action on content:

**Context matters**

- Some Tweets may seem to be abusive when viewed in isolation, but may not be when viewed in the context of a larger conversation. While we accept reports of violations from anyone, sometimes we also need to hear directly from the target to ensure that we have proper context.
- The number of reports we receive does not impact our assessment of whether something violates the Twitter Rules.

**We focus on behavior**

- In order to ensure that people feel safe expressing diverse opinions and beliefs, we do not tolerate behavior that crosses the line into abuse, including behavior that harasses, intimidates, or uses fear to silence another user's voice.
- Additionally, we enforce policies when someone reports behavior that is abusive and targets an entire protected group and/or individuals who may be members. This targeting can happen in multiple ways (e.g., mentioning someone, tagging someone in a photo, and more).

If, after you filed this original report, this person Tweeted additional content that you believe to be abusive, or if there's additional context you think we need to know regarding this situation, please reply to this email and provide us with further details (including links to any additional Tweets).

In addition to Twitter's efforts to enforce our Terms of Service, we also provide tools to assist users in controlling their Twitter experience.

Thank you again for taking the time to submit your report to us. If you encounter additional content on Twitter that you believe to be abusive, please let us know by filing a new report.

Thanks,

Twitter

**IMPORTANT: Your response is required in order for Twitter to continue investigating the reported account.**

Hello,

We have received your report on the impersonation of someone you represent on Twitter.

**Our next steps:**

First, we need to confirm that you are authorized to represent this individual. Below you'll find instructions and a link you can use to upload copies of documentary proof. Then we'll review and process your report. We can't review your report until the documentation is received.

**Your next steps:**

In order to confirm that you are authorized to represent this individual, please review the instructions below and upload the requested documentation. Please make sure to upload a legible copy so we can review the full name and photo on the ID. This information will be kept confidential and your documentation will be deleted.

**Instructions:**

Choose one of the following options, then click on the link below to upload the requested document(s):

Option 1:

- A copy of the impersonated individual's valid government-issued photo ID (e.g., driver's license, passport).
- If you are claiming impersonation against an account that is not using the individual's legal name, you will need to include documentary evidence that the legal name is connected to the name you are reporting (i.e., proof of registration of the trade name or pseudonym).

Option 2:

- Documentation stating that you have authority to act on the impersonated individual's behalf (e.g., agent's agreement, power of attorney, etc.).
- A copy of your valid government-issued photo ID (e.g., driver's license, passport).
- A copy of your business card.

Upload link: <https://twitterinc.secure.force.com/u?e=jbw3832@gmail.com&cn=0122392059>

Please note that accounts in compliance with Twitter's parody, commentary, and fan accounts policy (<https://help.twitter.com/rules-and-policies/parody-account-policy>) are not considered in violation of our impersonation policy (<https://help.twitter.com/rules-and-policies/twitter-impersonation-policy>).

Hello,

Thanks for sending us your report. In order for an account to be in violation of the impersonation policy, it must portray another person or business in a misleading or deceptive manner. You can read the full policy on our help center.

We've investigated the account you reported, and have determined that it is not in violation.

We understand this might be a frustrating outcome, but we appreciate your report, and hope you'll let us know about other potential violations in the future.

Please note that any documents you may have uploaded as part of this process will be deleted.

Can you take a minute to rate your experience and complete a short survey?

Overall, how satisfied are you with Twitter's support?

1 = Very Dissatisfied

5 = Very Satisfied

We appreciate your time and feedback.

Thanks,

Hello,

We're writing to let you know that we didn't find the content you reported to be in violation of our rules. We know this is disappointing to hear, as you had a reason to report in the first place.

We seek to consider context and to see the full picture before deciding whether reported content or accounts violate our rules. Sometimes an isolated comment in a broader conversation—or an opinion which differs extremely from yours, may not cross the line into violation.

We get it. There's a lot online that isn't so nice. Speaking up is important and we value you for that. While this decision isn't what you hoped, please let us know if there's additional context, Tweets, or something we're missing. After all, we're human and far from perfect.

Thanks,

Hello,

Thank you for letting us know about your issue. We understand that you might come across content on Twitter that you dislike or find offensive. However, after investigating the reported content we found it was not in violation of Twitter's private information policy (<https://help.twitter.com/rules-and-policies/personal-information>). As a result, it won't be removed at this time.

If something has gone beyond the point of a personal conflict, whether it be online or offline, you should contact your local authorities so they can accurately assess the validity of the issue. It's also a good idea to take screenshots of the offending Tweets if you choose to address this issue with your local law enforcement.

Can you take a minute to rate your experience and complete a short survey?

Overall, how satisfied are you with Twitter's support?
