CASE NO.: 3:20-cv-07348

**COMPLAINT; DEMAND FOR JURY
 TRIAL**

Hunton Andrews Kurth LLP
 550 South Hope Street, Suite 2000
 Los Angeles, California 90071-2627

1 Plaintiffs Facebook, Inc. (“Facebook”) and Instagram, LLC (“Instagram”) allege
2 the following:

3 **INTRODUCTION**

4 1. Since at least January 2017, Defendants Laila Abou Trabi and Robin Abou
5 Trabi have operated an unlawful business using the website instant-fans.com.
6 Defendants’ business artificially inflated the “likes,” “followers,” “comments,”
7 “views,” and other interactions of Instagram accounts (a practice known as “fake
8 engagement”). Defendants’ business also offered fake engagement services for
9 Facebook, Twitter, TikTok, YouTube, LinkedIn, Pinterest, and other web services.
10 Defendants provide fake engagement services to both individual customers and
11 commercial resellers of fake engagement. Defendants used a network of computers or
12 “bots,” Instagram accounts they controlled, and automation software to deliver fake
13 engagement to their customers’ Instagram accounts, in violation of Instagram’s Terms
14 of Use, Community Guidelines, and Platform Policy, and state and federal laws.

15 2. Defendants interfered with and continue to interfere with the Instagram
16 service, created an inauthentic experience for Instagram users, and attempted to
17 fraudulently influence Instagram users for their own enrichment. Facebook and
18 Instagram bring this action to stop Defendants’ ongoing and future misuse of their
19 platforms by Defendants. Facebook and Instagram also bring this action to obtain
20 compensatory and punitive damages under the California Comprehensive Computer
21 Data Access and Fraud Act, Section 502, the Computer Fraud and Abuse Act, 18 U.S.C.
22 § 1030, and for breach of contract, and disgorgement of illicit profits for unjust
23 enrichment.

24 **PARTIES**

25 3. Plaintiff Facebook is a Delaware corporation with its principal place of
26 business in Menlo Park, California.

Hunton Andrews Kurth LLP
550 South Hope Street, Suite 2000
Los Angeles, California 90071-2627

1 4. Plaintiff Instagram is a Delaware limited liability company with its
2 principal place of business in Menlo Park, California. Instagram is a subsidiary of
3 Facebook.

4 5. Defendant Laila Abou Trabi (“Defendant Laila”) is a Lebanese national
5 and resident of Dubai, United Arab Emirates. Defendant Robin Abou Trabi
6 (“Defendant Robin”) is a Lebanese national and resident of Dubai, United Arab
7 Emirates. Defendants Laila and Robin are married to each other. Since at least January
8 2017, Defendants Laila and Robin used the website, instant-fans.com, to promote and
9 provide fake engagement services. Exs. 1-2.

10 **JURISDICTION AND VENUE**

11 6. This Court has supplemental jurisdiction over the state law causes of action
12 alleged in this Complaint pursuant to 28 U.S.C. § 1367 because these claims arise out
13 of the same nucleus of operative facts as Facebook’s and Instagram’s federal claim.

14 7. In addition, this Court has jurisdiction over all the causes of action alleged
15 in this Complaint pursuant to 28 U.S.C. § 1332 because complete diversity between
16 Plaintiffs and each of the named Defendants exists, and because the amount in
17 controversy exceeds \$75,000.

18 8. The Court has personal jurisdiction over Defendants because each
19 Defendant personally used Instagram, their business used thousands of Instagram
20 accounts, and, accordingly, they agreed to Instagram’s Terms of Use. Instagram’s
21 Terms of Use require Defendants to submit to the personal jurisdiction of this Court for
22 litigating any claim, cause of action, or dispute with Instagram.

23 9. This Court also has personal jurisdiction over Defendants because they
24 knowingly and intentionally directed their actions at the United States and California,
25 and at Facebook and Instagram, which have their principal places of business in
26 California. Defendants’ business model depended on accessing and using Instagram in
27 order to artificially manipulate Instagram accounts in exchange for money. Defendants
28 transacted business and engaged in commerce in the U.S. and California by, among

Hunton Andrews Kurth LLP

Los Angeles, California 90071-2627

1 other things, knowingly using U.S. and California-based computer networking
2 infrastructure and hundreds of U.S. and California-based user accounts to provide fake
3 engagement services.

4 10. Venue is proper in this District pursuant to 28 U.S.C. § 1391(b), as the
5 threatened and actual harm to Facebook and Instagram occurred in this District. Venue
6 is also proper with respect to each Defendant pursuant to 28 U.S.C. §1391(c)(3) because
7 neither Defendant resides in the United States.

8 11. Pursuant to Civil L.R. 3-2(c), this case may be assigned to either the San
9 Francisco or Oakland Division because Facebook and Instagram are located in San
10 Mateo County.

11 **FACTUAL ALLEGATIONS**

12 **A. Background on Instagram and Facebook**

13 12. Facebook is a social networking website and mobile application that
14 enables its users to create their own personal profiles and connect with each other on
15 their personal computers and mobile devices. As of August 2020, Facebook daily active
16 users averaged 1.79 billion and monthly active users averaged 2.7 billion. Facebook
17 has several products, including Instagram. Facebook owns and operates the Instagram
18 service, platform, and computers.

19 13. Instagram is a photo and video sharing service, mobile application, and
20 social network. Instagram users can post photos and videos to their profile and share
21 them with their followers or a select group of friends. Instagram users can also view,
22 comment on, and “like” posts shared by others on Instagram.

23 14. Instagram users can gain followers, views, and likes, but only from other
24 registered Instagram users. If a visitor to Instagram does not have an Instagram account
25 and tries to “like” a post, the visitor is redirected to the Instagram login page to enter
26 their Instagram credentials or to create an Instagram account.

27 15. When an Instagram user posts a photo to their account, other Instagram
28 users can view the photo, and choose to “like” it and add a comment to the post. For

1 private accounts, followers of the private account can see the post. For public accounts,
 2 anyone with an Instagram account can see the post. When a photo is liked or a comment
 3 about the post is added, that like and comment can be seen by anyone who can see the
 4 post. An Instagram user can also choose to “follow” another Instagram user. Instagram
 5 users can see the total number of users following an Instagram account. For marketing
 6 and other commercial purposes, certain Instagram users strive to increase the number
 7 of followers, views, comments, and likes they receive to increase their visibility and
 8 popularity on Instagram.

9 **B. Instagram’s Terms of Use, Community Guidelines, and Platform**
 10 **Policies**

11 16. Everyone who uses Instagram agrees to Instagram’s Terms of Use
 12 (“Terms”)¹ and other rules that govern access to and use of Instagram, including
 13 Instagram’s Community Guidelines and Platform Policy (collectively, “Terms and
 14 Policies”).² Since April 2018, the Instagram Terms have stated that because Instagram
 15 is a Facebook product, the Instagram Terms constitute an agreement between the
 16 Instagram users and Facebook.³

17 17. Since at least April 2018, Instagram’s Terms have prohibited users from
 18 (a) “do[ing] anything unlawful, misleading, or fraudulent or for an illegal or
 19 unauthorized purpose”; (b) “interfer[ing] with or impair[ing] the intended operation of
 20 [Instagram]”; (c) “attempt[ing] to buy, [or] sell . . . any aspect of [an Instagram]
 21 account”; (d) “access . . . information in unauthorized ways” including “in an automated
 22 way without our express permission”; (e) “violate (or help or encourage others to
 23 violate) [Instagram] Terms or [Instagram] policies . . . including . . . the Instagram
 24 Community Guidelines[, and] Instagram Platform Policy.”

25 _____
 26 ¹ Instagram Terms of Use can be found at

1 18. Instagram’s Community Guidelines prohibit users from artificially
2 collecting likes, followers, and comments.

3 **C. Facebook and Instagram’s Past Enforcement Actions against**
4 **Defendants**

5 19. Since September 2017, in order to protect Instagram users and the
6 Instagram platform, Facebook and Instagram have taken multiple enforcement actions
7 against Defendants for violating Instagram’s Terms and Policies, including sending
8 cease and desist letters and disabling Instagram and Facebook accounts associated with
9 Defendants.

10 20. On September 22, 2017, Facebook and Instagram sent a cease and desist
11 letter to Defendants for marketing and providing fake engagement through instant-
12 fans.com.⁴ Ex. 3. At that time, Facebook and Instagram also disabled multiple
13 Instagram and Facebook accounts associated with Defendants.

14 21. In the September 2017 cease and desist letter, Plaintiffs demanded that
15 Defendants stop violating Instagram’s Terms and Policies, including:

- 16 • Misleading Facebook and Instagram users;
- 17 • Creating false or duplicate profiles;
- 18 • Using personal profiles for commercial gain;
- 19 • Unauthorized automated access to either website or API; and
- 20 • Facilitating or encouraging others to violate terms of service.

21 22. The September 2017 cease and desist letter informed Defendants that
22 Facebook revoked their access to use and access Facebook and Instagram services. The
23 September 2017 cease and desist letter also notified Defendants that their fake
24 engagement service interfered with Facebook and Instagram, and that Defendants’
25

26 ⁴ The September 22, 2017 cease and desist letter also directs Defendants to stop
27 providing fake engagement on allrealfans.com. Since at least January 2020, the
28 homepage of allrealfans.com is accessible, but none of the links on the homepage
have been functional.

1 actions may have violated state and federal laws, including the Computer Fraud and
2 Abuse Act, 18 U.S.C. § 1030, and the California Comprehensive Computer Data Access
3 and Fraud Act, Cal. Penal Code § 502(c).

4 23. In response to the September 2017 cease and desist letter, Defendants
5 Robin and Laila responded by email to Facebook’s counsel. Defendants refused to
6 comply with the cease and desist letter. Both Defendants falsely claimed they had no
7 ability to take down the website, and only designed the website.

8 24. On July 24, 2018, Facebook and Instagram sent another letter notifying
9 Defendant Robin that his access to Facebook and Instagram remained revoked and
10 continuing to operate instant-fans.com violated Facebook’s and Instagram’s Terms and
11 Policies.

12 25. Despite Facebook’s enforcement efforts, Defendants resumed and
13 continued to access and use the Instagram service.

14 **D. Defendants Used Automation Software, Bots, and Instagram**
15 **Accounts to Artificially Increase Instagram Users’ Likes, Followers,**
16 **Comments, and Views of Instagram Users and Interfered with**
17 **Instagram’s Service and Computer Network**

18 26. Since at least January 2017, and continuing to the present, Defendants have
19 marketed and provided fake engagement for Instagram, and conducted financial
20 transactions with their customers on their website instant-fans.com. Exs. 1-2 and 4. On
21 their website, Defendants described themselves as the “World’s #1 Automated Social
22 Media Services Provider.” Exs. 1-2.

23 27. On their website, Defendants offered and continue to offer their customers
24 the ability to automate artificial actions on Facebook and Instagram, including: (a) likes
25 on a Facebook or Instagram post; (b) comments on a Facebook or Instagram post; (c)
26 views for a Facebook or Instagram post; (d) followers of a Facebook Page or Instagram
27 account; (e) membership for a Facebook Group; and (f) emoji reactions (“wow,” “love,”
28 “haha,” “sad,” and “angry”) to a Facebook post. Ex. 4.

Hunton Andrews Kurth LLP
 550 South Hope Street, Suite 2000
 Los Angeles, California 90071-2627

1 28. According to their website, Defendants provided fake engagement services
 2 to both commercial “direct customers and resellers [of fake engagement].” Ex. 2.
 3 Defendants offered an Application Programming Interface (commonly referred to as an
 4 an “API”), which enabled commercial resellers to deliver fake engagement by “linking
 5 [their] . . . website directly to [instantfans.com].” Exs. 2 and 5

6 29. As shown below in Figures 1 – 3⁵, Defendants charged different prices for
 7 fake engagement based on the type of fake engagement (*e.g.*, likes, comments,
 8 followers, or views), the quantity of fake engagement provided, the service being
 9 targeted (*e.g.*, Instagram, Facebook, Twitter), and the speed at which the fake
 10 engagement was provided. Ex. 4.

30. Defendants used a network of bots and Instagram accounts that they controlled to deliver millions of automated likes and follows per day to their customers' accounts on Instagram. This conduct was not authorized by Facebook or Instagram.

31. For example, on February 22, 2020, after purchasing 2,500 likes, 1,000 followers, and 500 positive comments on instant-fans.com, an Instagram user posted a photo of food to their Instagram account. At the time of the post, the Instagram account had no followers. Within approximately 48 hours, the post received approximately 2,398 likes, 501 comments, and the account gained 1,040 followers. As shown below in Figure 4, the comments to the post were random phrases unrelated to the actual post.

Figure 4: Instant-Fans Fake Comments

32. Between March 2, 2020 and March 3, 2020, after purchasing 1,000 likes from instant-fans.com, an Instagram user posted a photo to their Instagram account. A short time later, the post received approximately 1,005 likes.

33. All of the likes described in paragraphs 32 and 33 came from Defendants' network of Instagram accounts using thousands of IP addresses associated with service providers located in, among other places, the United States.

E. Defendants Unjustly Enriched Themselves and Their Unlawful Acts Have Caused Damage and a Loss to Facebook and Instagram

34. Defendants continued breaches of Instagram's Terms and Policies have caused Facebook and Instagram substantial harm. Defendants interfered with and continue to interfere with Instagram's service. Defendants created and continue to create an inauthentic experience for Instagram users who used, viewed, and relied on Defendants' fake engagement.

35. Facebook and Instagram have suffered damages attributable to the efforts and resources it has used to address the wrongdoings identified in this complaint,

1 investigate and mitigate Defendants' illegal conduct, and identify, analyze, and stop
2 their fraudulent and injurious activities.

3 36. Since at least September 2017, Defendants have unjustly enriched
4 themselves at the expense of Facebook and Instagram in an amount to be determined at
5 trial. Facebook and Instagram are entitled to an accounting by Defendants and a
6 disgorgement of all unlawful profits gained from their unlawful conduct on Instagram,
7 which allowed them to receive a benefit that they otherwise would not have achieved.

8 **FIRST CAUSE OF ACTION**

9 (Breach of Contract)

10 37. Facebook and Instagram incorporate all preceding paragraphs here.

11 38. Each Defendant created an Instagram account and agreed to Instagram's
12 Terms and Policies.

13 39. Since at least September 2017, Defendants used and controlled thousands
14 of Instagram accounts, which were governed by Instagram's Terms and Policies, to
15 provide fake engagement to Instagram users. Because Defendants' unlawful business
16 used and controlled thousands of Instagram user accounts, each Defendant agreed to
17 Instagram's Terms and Policies.

18 40. Defendants, through the instant-fans.com website, continually used the
19 Instagram service and caused it to be accessed and used to conduct their fraudulent
20 business.

21 41. Despite Defendants agreeing to Instagram's Terms and Policies, they
22 repeatedly breached them. Defendants breached Instagram's Terms and Policies by
23 taking the actions described above, all in an attempt to fraudulently influence other
24 Instagram users and enrich themselves while damaging Facebook and Instagram. Not
25 only did Defendants' fake engagement service violate Instagram's Terms and Policies,
26 they encouraged and helped others to violate Instagram's Terms and Policies, which
27 itself was a violation. Similarly, Defendants violated Instagram's Terms and Policies
28

Hunton Andrews Kurth LLP

1 because they accessed Instagram and information on Instagram in an unauthorized
2 automated way without Instagram or Facebook’s express permission.

3 42. Facebook and Instagram have performed all conditions, covenants, and
4 promises required of them in accordance with their agreements with Defendants.

5 43. Defendants’ many breaches have caused Facebook and Instagram to incur
6 damages in an amount to be determined at trial, but in an amount exceeding \$75,000.

7 **SECOND CAUSE OF ACTION**

8 (California Penal Code § 502)

9 44. Facebook and Instagram incorporate all preceding paragraphs here.

10 45. Since at least September 2017, Defendants violated California Penal Code
11 § 502 by operating their fake engagement service after Facebook and Instagram sent a
12 cease and desist letter to Defendants, revoked Defendants’ access to Facebook and
13 Instagram, and disabled their user accounts.

14 46. Defendants knowingly accessed and, without permission, used Facebook
15 and Instagram’s data, computers, computer system, and computer network in order to
16 (A) devise or execute a scheme or artifice to defraud and deceive, and (B) to wrongfully
17 control or obtain money, property, or data, in violation of California Penal Code §
18 502(c)(1).

19 47. Defendants knowingly and without permission used or caused to be used
20 Facebook and Instagram’s computer services in violation of California Penal Code
21 § 502(c)(3) by accessing and using Instagram after Facebook and Instagram sent them
22 a cease and desist letter revoking their access to Instagram and disabled their user
23 accounts.

24 48. By artificially inflating likes, followers, and comments for certain
25 Instagram posts and accounts and impairing the intended operation of Instagram,
26 Defendants knowingly and without permission disrupted or caused the disruption of
27 Facebook and Instagram’s computer services, computers, computer systems, and/or
28 computer networks in violation of California Penal Code § 502(c)(5).

Hunton Andrews Kurth LLP

Los Angeles, California 90071-2627

Hunton Andrews Kurth LLP
550 South Hope Street, Suite 2000

1 49. Defendants knowingly and without permission accessed and caused to be
2 accessed Facebook and Instagram’s computers, computer systems, and/or computer
3 networks in violation of California Penal Code § 502(c)(7). Defendants accessed
4 Facebook’s and Instagram’s computer network after Facebook and Instagram disabled
5 their Instagram accounts, and sent a cease and desist letter to Defendants revoking their
6 access.

7 50. Because Facebook and Instagram suffered damages and a loss as a result
8 of Defendants’ actions and continue to suffer damages as a result of Defendants’
9 actions, Facebook and Instagram are entitled to compensatory damages, in an amount
10 of at least \$75,000, attorneys’ fees, and any other amount of damages proven at trial, as
11 well as injunctive relief under California Penal Code § 502(e)(1) and (2).

12 51. Because Defendants willfully violated California Penal Code § 502, and
13 there is clear and convincing evidence that Defendants committed “fraud” as defined
14 by Section 3294 of the Civil Code, Facebook is entitled to punitive and exemplary
15 damages under California Penal Code § 502(e)(4).

16 **THIRD CAUSE OF ACTION**

17 (Computer Fraud and Abuse Act, 18 U.S.C. § 1030)

18 52. Facebook and Instagram incorporate all preceding paragraphs here.

19 53. Since at least September 2017, Defendants have violated 18 U.S.C. § 1030
20 by operating their fake engagement service after Facebook and Instagram sent
21 Defendants a cease and desist letter, revoked Defendants’ access to Facebook and
22 Instagram, and disabled their user accounts.

23 54. Facebook and Instagram computers and servers are protected computers as
24 defined by 18 U.S.C. § 1030(e)(2).

25 55. Defendants’ access and use of Facebook and Instagram’s computers and
26 computer systems was unauthorized because Defendants accessed Facebook and
27 Instagram’s computer network after Facebook and Instagram disabled their Instagram
28

Hunton Andrews Kurth LLP

1 accounts and sent cease and desist letters to Defendants unequivocally revoking their
2 limited license to access.

3 56. Defendants violated 18 U.S.C. § 1030(a)(4) because they knowingly and
4 with intent to defraud accessed Facebook and Instagram protected computers by
5 sending unauthorized commands and signals to Facebook and Instagram computers and
6 by means of such conduct furthered the intended fraud and obtained something of
7 value. Defendants sent the commands and signals to Facebook and Instagram
8 computers to manipulate Instagram’s service by fraudulently inflating likes, followers,
9 and comments of certain Instagram posts and accounts. Defendants did these acts in
10 exchange for profit.

11 57. Defendants violated 18 U.S.C. § 1030(b) by conspiring or attempting to
12 commit the violation alleged in the preceding paragraph.

13 58. Defendants’ conduct has caused a loss to Facebook and Instagram during
14 a one-year period in excess of \$5,000.

15 59. Defendants’ actions caused Facebook and Instagram to incur losses and
16 other economic damages, including, among other things, the expenditure of resources
17 to investigate, mitigate, and respond to Defendants’ fraudulent scheme. Facebook and
18 Instagram are entitled to be compensated for losses and damages in an amount of at
19 least \$75,000, and any other amount proven at trial.

20 60. Facebook and Instagram have no adequate remedy at law that would
21 prevent Defendants from continuing their fraudulent scheme. Permanent injunctive
22 relief is therefore warranted.

23 **FOURTH CAUSE OF ACTION**

24 (Unjust Enrichment)

25 61. Facebook and Instagram incorporate all preceding paragraphs here.

26 62. Defendants’ acts as alleged herein constitute unjust enrichment by
27 Defendants at Facebook’s and Instagram’s expense.
28

Hunton Andrews Kurth LLP
550 South Hope Street, Suite 2000
Los Angeles, California 90071-2627

1 63. Defendants accessed and used, without authorization or permission,
2 Facebook's and Instagram's service, platform, and computer network, all of which
3 belong to Facebook and Instagram.

4 64. Defendants used Facebook's and Instagram's service, platform, and
5 computer network to, among other things, defraud and deceive Instagram users,
6 artificially inflate likes, followers, and comments for certain Instagram posts and
7 accounts, impair the intended operation of Instagram, interfere with Instagram's
8 service, platform, and computer network, and wrongfully obtain money from the
9 operation of their unlawful business.

10 65. Defendants received a benefit by profiting off of their unauthorized use of
11 Facebook and Instagram's service, platform, and computer network. But for
12 Defendants' illegal use of Instagram, they would not have received the profits they
13 achieved.

14 66. Defendants' retention of the profits derived from their unlawful and
15 unauthorized use of Instagram's service, platform, and computer network would be
16 unjust.

17 67. Facebook and Instagram seek an accounting and disgorgement of
18 Defendants' ill-gotten profits in an amount to be determined at trial.

19 **REQUEST FOR RELIEF**

20 **WHEREFORE**, Facebook and Instagram are entitled to judgment against
21 Defendants on each of Plaintiffs' causes of action awarding Facebook and Instagram:

- 22 1. Compensatory damages in an amount to be determined at trial;
- 23 2. Punitive damages in an amount to be determined at trial;
- 24 3. Interest, costs, and expenses incurred in this action;
- 25 4. An accounting of each Defendant's profits resulting from their fake
26 engagement service;
- 27 5. Disgorgement of Defendants' profits resulting from their fake engagement
28 service;

Hunton Andrews Kurth LLP
550 South Hope Street, Suite 2000
Los Angeles, California 90071-2627

1 6. A permanent injunction enjoining and restraining Defendants and their
2 agents, servants, employees, successors, and assigns, and all other persons acting in
3 concert or participation with any of them from:

- 4 a. accessing or attempting to access Facebook and Instagram’s service,
5 platform, and computer systems;
- 6 b. creating or maintaining any Instagram or Facebook accounts in violation
7 of Instagram’s Terms and Policies;
- 8 c. engaging in any activity that disrupts, diminishes the quality of,
9 interferes with the performance of, or impairs the functionality of
10 Facebook and Instagram’s service, platform, and computer systems; and
- 11 d. engaging in any activity, or facilitating others to do the same, that
12 violates Instagram’s Terms and Policies; and

13 7. All such other and further relief as this Court may deem just and proper.

14

Re: Cease and Desist Abuse of Facebook and Instagram - AllRealFans

Dear Mr. Trabi and Ms. Trabi:

We represent Facebook, Inc., based in Menlo Park, California, and Instagram, Inc. It has come to our attention that you are selling Facebook and Instagram Likes and Followers on your websites, including AllRealFans.com and Instant-Fans.com. These activities violate Facebook's and Instagram's terms of service and are illegal.

Facebook and Instagram demand that these activities stop immediately.

Facebook and Instagram take the protection of the user experience very seriously, and are committed to keeping their sites safe for users to interact and share information. They have developed their terms of service to protect their users and facilitate these goals.

Facebook's and Instagram's terms of service prohibit, among other things:

- Misleading Facebook and Instagram users;
- Creating false or duplicate profiles;
- Using personal profiles for commercial gain;
- Unauthorized automated access to either website or API; and
- Facilitating or encouraging others to violate terms of service.

See Facebook Statement of Rights and Responsibilities, <http://www.facebook.com/terms.php>; Facebook Platform Policies, <https://developers.facebook.com/policy/>; Instagram Terms of Use,

September 22, 2017

<http://instagram.com/about/legal/terms/>; and Instagram API Terms of Use, <http://instagram.com/about/legal/terms/api/>.

In addition to violating the terms of service, your activities may violate the federal Computer Fraud and Abuse Act, 18 U.S.C. § 1030; the California Comprehensive Computer Data Access and Fraud Act, Cal. Penal Code § 502(c); the United States Lanham Act, 15 U.S.C. §§ 1114, 1125(a), & 1125(c); and state laws prohibiting interference with Facebook's and Instagram's business expectations and interests.

Facebook and Instagram have taken technical steps to deactivate your Facebook and Instagram accounts, and your limited license to access or use the Facebook and Instagram websites and/or services has been revoked. **This means that you, your agents, your employees and/or anyone acting on your behalf (collectively “You” or “Your”) may not access the Facebook or Instagram websites, use the Facebook or Instagram APIs, or use any of the services offered by Facebook or Instagram for any reason whatsoever.** Facebook and Instagram will treat further activity by You on their websites or services as unauthorized access to their protected computer networks.

Please respond to me in writing WITHIN 48 HOURS confirming that You:

- Have preserved and will continue to preserve in the future all information related to Your offering and/or sale of Facebook and Instagram services;
- Have stopped and will not in the future sell or offer to sell any services related to Facebook and Instagram;
- Have shut down all websites You operate that are used to sell Facebook or Instagram services, and have removed all advertisements or postings on external websites advertising or describing Your Facebook or Instagram services;
- Have removed all references to Facebook and Instagram from any and all websites that You own or have the ability to control;
- Have stopped and will not in the future access Facebook's or Instagram's websites and/or services for any reason whatsoever; and
- Will account for and disgorge any and all revenue earned from Your unauthorized activities related to Facebook and Instagram.

September 22, 2017

Along with your response, we demand that you provide:

- A complete list of any and all Facebook and Instagram accounts You have created, developed, maintained, or controlled;
- A complete list of domain names that You own, maintain, or control;
- A complete accounting of each and every customer who purchased your Facebook or Instagram services, including an accounting of all compensation or revenue received by You, and the URLs for each profile and/or Page for which You rendered those services; and
- A complete description of the methods you use to acquire Facebook and Instagram Fans and Likes.

If you ignore this letter or continue your improper conduct, Facebook and Instagram will take necessary measures to enforce their rights, maintain the quality of their websites, and protect their users.

This letter is not intended by us, and should not be construed by you, as a relinquishment or waiver of any of Facebook's or Instagram's rights or remedies. Facebook and Instagram specifically reserve all such rights and remedies whether at law or in equity.

Sincerely,

Catherine M. del Fierro
