E-mail Address *(if known)* _____**II. Basis for Jurisdiction**

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? *(check all that apply)*

- Federal question Diversity of citizenship

Fill out the paragraphs in this section that apply to this case.

A. If the Basis for Jurisdiction Is a Federal Question

List the specific federal statutes, federal treaties, and/or provisions of the United States Constitution that are at issue in this case.

It is a violation of the United States Constitution that the defendant(s) intentionally rape women at the Silicon Valley for pleasure and declaring free country free rape.

It violates the U.S. Constitution that all people are created equal and must be treated with respect.

B. If the Basis for Jurisdiction Is Diversity of Citizenship

1. The Plaintiff(s)

a. If the plaintiff is an individual

The plaintiff, *(name)* Alyssa Tai, is a citizen of the State of *(name)* United States

b. If the plaintiff is a corporation

The plaintiff, *(name)*, is incorporated under the laws of the State of *(name)* and has its principal place of business in the State of *(name)*

(If more than one plaintiff is named in the complaint, attach an additional page providing the same information for each additional plaintiff.)

2. The Defendant(s)

a. If the defendant is an individual

Pro Se 1 (Rev. 12/16) Complaint for a Civil Case

The defendant, (name) _____, is a citizen of
the State of (name) _____ . Or is a citizen of
(foreign nation) _____ .

b. If the defendant is a corporation

The defendant, (name) Equinix _____, is incorporated under
the laws of the State of (name) California _____, and has its
principal place of business in the State of (name) California _____ .
Or is incorporated under the laws of (foreign nation) _____,
and has its principal place of business in (name) _____ .

(If more than one defendant is named in the complaint, attach an additional page providing the same information for each additional defendant.)

3. The Amount in Controversy

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because *(explain)*:

1. \$100,000,000 The defendant hires a group of Indian rapists and support them in the bay area with 6 figures of income at least in 2019. During these time the rapists rape countless women at the Silicon Valley. But for the Defendant's negligent hiring, the Plaintiff would not have suffered emotional and monetary damages such as inability to keep regular work hours and constant pain and suffering of being sexually assaulted.
2. At least \$1,000,000 goes to victim compensation fund for the victims that comes forth to claim.

III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the damages or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

Equinix negligently hires a group of Indian rapists as software engineers. Defendant claims he works for a reputable Equinix company and was compensated a 6 figure income inducing people to think that he has good character. As such, he usurps the opportunity to attempt to rape me and to rape other women. But for Equinix's negligent hiring of these group of Indian rapists I and countless women will not be suffering life long trauma with emotional pain and suffering.

IV. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

1. \$1,000,000,000 since the Defendant negligently hires a group of rapists as software engineers to commit felony and didn't properly train them to conduct themselves reasonably.
2. Injunction that the company must be more cautious and monitor the Indian employees more strictly because they are more likely to have character issues. The company should provide classes to train them to behave reasonably.
3. Injunction that the company has to let go of the named Indian rapist employees and deport them back to India.

What is the basis for federal court jurisdiction? *(check all that apply)*

- Federal question Diversity of citizenship

Fill out the paragraphs in this section that apply to this case.

A. If the Basis for Jurisdiction Is a Federal Question

List the specific federal statutes, federal treaties, and/or provisions of the United States Constitution that are at issue in this case.

It is a violation of the United States Constitution that the defendant(s) intentionally rape women at the Silicon Valley for pleasure and declaring America is rapists' heaven and uses free country, free rape as a slogan.

Equinix is the company that the defendant worked at the time of the defendant solicit plaintiff to rape her. The defendant uses craigslist as criminal instrument to advertise housekeeping job to solicit women to rape. The defendant uses facebook to harrass and check the women's profile. California criminal justice system just ignore any complaints.

b. If the plaintiff is a corporation

The plaintiff, *(name)* _____, is incorporated under the laws of the State of *(name)* _____ and has its principal place of business in the State of *(name)* _____.

3. The Amount in Controversy

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because *(explain)*:

1. \$1,000,000,000 - Craigslist owes the society a reasonable duty of care not to allow the criminals to use the site as an instrument to commit felony such as harrassing and raping women.

In my case, allowing guys to post housekeeping jobs without giving their state license information and implying rape is grossly negligent.

After the plaintiff files complain the defendant continue with his privilege to advertise and conduct his criminal activities on craigslist. Therefore, craigslist facilitate criminal activities and causes Case more victims to be harmed.

My friend, Galina's son was murdered when he responded to an online advertisement to buy a used car for \$3,000. He disappeared and at night she dreamed of him calling her saying he was afraid. Later, she found him murdered and inside the trunk of the car and the murderer took the money.

2. At least \$1,000,000 victim compensation fund should go toward people who are victimized through interaction through craigslist.

III. Statement of Claim

State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

1. The defendant uses craigslist as instrumentality to commit felony of rape. Craigslist ignores any complaints.
 2. I saw a housekeeping job and applying for it. It turns out the guy means sex slave job. I reject it but nevertheless he attempted to rape me claiming that he has been raping countless girls and he can spot me as an easy target for rape.
 3. According to the defendant's admission he and his has been raping women in the bay area for years and law enforcement never takes any action.
-

IV. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

1. \$1,000,000,000 punitive damages for not taking reasonable care of the public and consistently ignore any complain of the public.
 2. Injunction - Craglist must ask people state license information to prevent people from committing crimes.
 3. Injunction - The rental and any post must state if sex is part of the bargain.
 4. Craglist must set up customer service and taking any complaint seriously.
-

V. Certification and Closing

1. \$1,000,000,000,000 - India as a nation has a duty to educate their citizen to respect women. The fact that so many Indians are in America raping women is equivalent to the India raping America. It is an assault and rape toward our country. These women are broken after they were being violated, when they marry their family will be broken and the America as a whole will be broken. The land of America is suppose to be a land of dream. However, these rapists have make it a hell for countless women over years. I believe it is my calling to deliver countless oppressed and voiceless women from their abuse. This also includes women in India and people at any part of the world.

One day in Sept. 2019, I was very sick and the defendant harrassed me and offered to buy me soup. Because I was sick and unable to drive, the Defendant picked me up from my home and transported me to his apartment. There he showed me porn videos and attempted to rape me. He touched me every where and pull off my shirt. Even though I fought but because I was gravely ill I was overpowered by the Defendant rapist.

The Indian Defendant claims that he and his friends rape countless girls over the years. He says America is the rapists' heaven, free country, free rape is his slogan.

Indian citizen treating American citizen like prostitutes at their whim enrages the American citizen. Therefore, the Indian president or represnetives should make amend to American citizens.

Friends, please do not sleep while the evil is going on. The evil doers can't sleep if they don't commit crimes. Today your neighbor may be the victim. The next day, the evil doers may knock on your door. You, your wife, or your children may become a victim to their folly.

Countries like North Korea, China are inhumane and repugnant to the civilize countries and citizen. They should also repent and return to God or God's wrath will catch up with them. May the Lord bless His people and the land.

IV. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. 1. \$1,000,000,000,000 - The India government should compensate the plaintiff victim of sexual assault. This number is not make up whimsically but after careful seeking and praying to God.
 2. India as a nation should make apology to American citizen especially to women of their wilful and repugnant conduct.
 3. All rapists' property should be confiscated and they should be deported immediately and prosecute criminally after return to India and never be allowed into America.
 4. In doing so, the America can make a statement to the rest of the world of it integrity. In the name of Jesus, I declare freedom of all from any oppressors and from people who feel privileged over others.

3. The Amount in Controversy

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because (explain):

\$1,000,000,000 The defendant file a police report in Januray of 2020. By December, they have not prosecute the defendant. The defendant already moves and hides away. The plaintiff contacted the attorney general of California in November through e-mail, he replied back, 'Just report to the police'. In addition to reporting to the police and attorney general, I also reported to the White House and FBI and immigration department. However, no one does anything to my attempted rape complaint. It shows that the state of United States Criminal Justice system is grossly negligent by not performing its duty with reasonableness and in timely manner. In sum, the United States Criminal System is grossly negligent and incompetant in protecting its citizen especially women.

III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the damages or other relief sought. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

The Criminal Justice System of the United States is grossly negligent in not prosecuting felon that commits rape which allow the rapists to rape more girls. Because of their negligence, in November the defendant hire someone to threatened the plaintiff to throw the plaintiff in jail. As a result, the plaintiff suffers panic attacks and is currently unable to go to work. The plaintiff takes December off to file a lawsuit to send the defendant rapists back to India.

On January 2020, the plaintiff report to the police that she has been sexually assaulted by the defendant. The police said they will investigate the case. By November, the plaintiff still has not heard anything and there is no sign of following up. The plaintiff contacted the attorney general but he threw back the request by replying just asked the police. In addition, the plaintiff reported her case to the White House, the FBI, and the immigration department to no avail.

It shows that they are grossly negligent in conducting their duty to protect the citizen. Therefore, the United States Criminal Justice System is liable to the defendant and other victims such as Richard Glossip, and Ivan Teleguz for not perform its duty timely and reasonably.

IV. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

1. \$1,000,000,000 - According to our prayers, God suggests the plaintiff to sue each defendant corporation 1 billion U.S. dollars due to their gross negligence in conducting their duties which results sexual assault, pain and suffering for the plaintiff. This amount includes punitive damages so that in the future the defendants will be accountable and mindful in protecting regular citizen.
 2. In addition, each corporation should set up a victim compensation fund for the victims suffer monetary or emotional damages.
 3. The Criminal Justice System should perform its duty in prosecuting possible criminals and felons in a timely manner not until the statute of limitation has run.
 4. The United States Justice System should set Ivan Teleguz and Richard Glossip free for they are innocent.
 5. The president should appoint the plaintiff to lead the criminal justice system with the right to appoint criminal cabinet members such as Chris Mutebi.
4. In sum, the Lord suggests to demand each corporation defendant to pay \$1,000,000,000 to the plaintiff and the individual defendant to pay \$1,000,000 to the defendant and be deported back to India. May the Lord bless us!
