I. BASIS FOR JURISDICTION

Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. Religion & Spirituality

The Sharon Brown podcast is a Christian podcast! I believe that Jesus Christ is Lord.
I'm saved Sanctified holy ghost-filled water baptized! My run for President

This podcast is to get you closer to God or to introduce you to God if you don't know him!

And to clear up some incorrect things that are believed about God!

and to also introduce you to things that you probably haven't noticed in the scripture before. But it's there.

There will be music: some original songs and some remakes.

I will also be speaking about social issues from a biblical perspective.
And other topics that come up!
