**Proceedings:** (In Court): Hearing on Plaintiff's Motion to Compel Responses to Mavrix Photographs LLC's Interrogatories Nos. 2-7

Case is called. Counsel make their appearances. Argument is heard.

Plaintiff's motion to compel answers to interrogatories 2 through 7 is DENIED for the reasons stated on the record at the hearing, primarily that Plaintiff did not make a good-faith effort to notify the interested, anonymous parties of the pending motion and the Court cannot grant the requested relief without first allowing them the opportunity to respond. Given the looming discovery cutoff date and the fact that Plaintiff's first such motion was denied for failure to comply with Local Rule 37, this denial is with prejudice. Defendant's counsel may file an itemized request for costs and fees associated with opposing the first motion no later than Thursday, June 19, 2014. Plaintiff's counsel may file any response no later than June 26. Defendant's counsel may file a reply no later than July 3. The matter will stand submitted for decision at that time unless the Court sets a hearing.
