Re: Application for DMCA Subpoena

Dear Sir or Madam:

On behalf of SIIA's members, Becker Professional Education, Adobe Systems Incorporated and Cengage Learning (hereinafter, "Members"), I respectfully request that the Clerk issue a subpoena pursuant to 17 U.S.C. § 512(h).

As you may know, Section 512(h) of the Digital Millennium Copyright Act provides that a "copyright owner or a person authorized to act on the owner's behalf may request the clerk of any United States District Court to issue a subpoena to a service provider for identification of an alleged infringer in accordance with this subsection." 17 U.S.C. § 512(h)(1). For a subpoena to be issued, Section 512(h) requires that a copyright owner file the following with the Clerk:

- 1) A copy of the notification required by Section 512(c)(3)(A);
- 2) A proposed subpoena; and
- 3) A sworn declaration to the effect that the purpose for which the subpoena is sought is to obtain the identity of an alleged infringer and that such information will only be used for the purpose of protecting the rights under this title.

Accordingly, attached for filing with the Clerk are the notification pursuant to the Section 512(c)(3)(A), a proposed subpoena, and a sworn declaration. As my Members have complied with the request of the statute, they ask that the Clerk pursuant to Section 512(h)(4) expeditiously issue and sign the proposed subpoena and return it (c/o undersigned counsel) for service on the subpoena recipient.

Thank you for your cooperation and prompt response in this matter. If you have any questions, please use the contact information noted above.

Sincerely,

Keith M. Kupferschmid

Re: DMCA Subpoena and Notice of Claimed Infringements

Dear Registered Agent:

The Software & Information Industry Association ("SIIA") is a U.S. trade association that represents the intellectual property interest of numerous companies in the software and digital content industries. This list includes but is not limited to Becker Professional Education and Adobe Systems Incorporated. SIIA is authorized to act on behalf of SIIA members whose copyright and other intellectual property rights it believes to be infringed as described herein.

We provide this notice pursuant to Section 512 of Title 17 of the U.S. Code (as enacted by the "Online Copyright Infringement Liability Limitation Act) to request that eBay, Inc. ("eBay") provide information sufficient to identify the sellers who have received a Notice of Claimed Infringement through eBay's VERO program.

Attached as Exhibit A are the Notices of Claimed Infringement provided by SIIA to eBay's VERO program, pursuant to 17 USC § 512, to make it aware of our good faith belief that the unlawful sale and distribution of software and/or digital content on its network or system was not authorized by the copyright owners, their agents, or the law.

This notification remains accurate, and under penalty of perjury, we are authorized to act on behalf of the owners of the exclusive rights that are being infringed. This letter is without prejudice to the rights and remedies of the SIIA members' and their affiliates, all of which are expressly reserved.

By providing this notice, SIIA is not waiving its rights to engage in other enforcement activities on behalf of its members, and reserves all rights to do so at any time. Thank you for your cooperation and prompt response in this matter.

Sincerely,
